SHOOT TO KILL
The Soviets Destroy an Airliner

What's New??

World News

A long predicated clash between the Soviet Union and the rest of the world has finally happened. A Korean Air Lines Flight 007 was cold-bloodedly blasted out of the skies by a missile-firing Soviet interceptor with a loss of 269 lives. This blatant display of military force by the Soviets is seen by many to be a crime against humanity.

The Soviet Union said "an unidentified plane rudely violated the Soviet border and intruded deep into the Soviet Union's airspace." The Soviets claim that they shot warning shots to the plane because they thought the flight could be on a spy mission.

However, it was clear that the Soviets had committed a brutally unprovoked act.

The Soviets had every right of international law to send fighter up to inspect the intruder. The Soviets claim that they did send a fighter pilot up to identify the aircraft. The Soviet's claim that the plane was on a reconnaissance mission falls flat because common sense suggests that even the most expert observer (in this case, the Korean pilot) flying some six miles high (which was as high as the plane went) in the dim predawn light is not likely to see anything that U.S. surveillance satellites have not repeatedly photographed in far greater detail.

The United States government, under President Reagan, has ordered military men into Grenada. American students, frightened by anti-American sentiment, reportedly begged for assistance in leaving the country. The U.S. responded to this plea quickly and forcefully, and soon most students were out of the country. During occupation of the island, there was discovered a runway reportedly built by Cubans in league with the communist government of Grenada to be used (purportedly) as a military base. The marines took over control of the runway, helped establish a new, non-Communist government in Grenada. The United States Congress has given President Reagan a deadline, December 1, at which time U.S. Marines are to be pulled completely out of Grenada. The people of Grenada have reportedly welcomed this U.S. involvement and help.

Over two hundred Americans are dead as a result of a Kamikaze attack on the Marine base in Beirut. This blatant attack has made some people question why U.S. Marines were in Lebanon in the first place. The Reagan administration has insisted that we were there to "Keep the peace" in the Middle east but how successful have we been in keeping the peace? The threat of spreading Communism first brought Americans to Lebanon. That same threat keeps us there. Is trying to stop the spread of communism worth the lives of our two hundred American boys? That is a question best unsolved in the heart of the reader.

Bay Area News

The San Jose Unified School District, one of the largest districts in California, went broke. Why? There are many reasons. The district claimed that they were not going to be able to balance their budget (something that the California State Constitution says the district must do before they can reopen the school after summer session.) Teachers salaries increase, promised in contract negotiations, would pull the district budget into the red. The SJSU Trustees and Lillian Barna, therefore, decided that the only solution to the monetary crisis would be to declare bankruptcy. Declaration of bankruptcy would allow the district to start fresh; the district would not be required to honor the teachers contracts and, by not having to pay raises for teachers, the district would save money. Many people feel that this use of bankruptcy is invalid; the district should have been able to find some way to avoid failure. Perhaps, in the future, we will be able to decide for ourselves whether or not we feel this bankruptcy to be valid.

When asked, Gunderson students what their favorite music group is, the most replied answer was the POLICE. Other groups that came close were Van Halen, Duran Duran, Journey, and Def Leppard.

There are so many different kinds of hairstyles. They range anywhere to long hair, short hair, and some with no hair. There are many ways students accent their hair. Some put grease, dye, or even glitter in their hair. People pictured are Angelique Sundermeyer, Miles Sundermeyer, and Annette Jones.

Baltimore overwhelmed Philadelphia in five games in the World Series with an exemplary team effort.

Something Wicked This Way Comes! ➡

"Something wicked this way comes." And it did come on October 31st, Halloween. Halloween was indeed a wicked event at GHS. Many students dressed for the occasion and really got enthusiastic. There was a wide variety of costumes such as female impersonators, flashers, Dole Pineapples, priests, and even a pregnant nun! There was a large turnout of participation, for Halloween was the start of Homecoming week and everyone wanted to start it out right.

During fourth period, the cafeteria crew led

the annual costume parade through the school out into the forum. The parade was a fun event and a loud one too. It could be heard clearly for they proceeded around banging pots and pans. At lunch there was a costume contest in which the winning contestants were given pumpkins as prizes. All in all, Halloween was a "spooky" event. The only thing that was missing was that the student's did not go "Trick or Treating" from class to class.

2. Julie Lau and Yuni Jang - A perfect Pair!
3. Carrie, Tammy, and Jennifer bag a big one!
4. Ginny and Sean - Kiss and War make good music!

— Munchin' at Lunch — ➔

What do Gunderson students do at lunch? Well, eat, of course. The cafeteria serves a variety of munchies: popcorn, cake, pizza, hot ham and cheese sandwiches, chicken, and much more. But the students don't always stay on

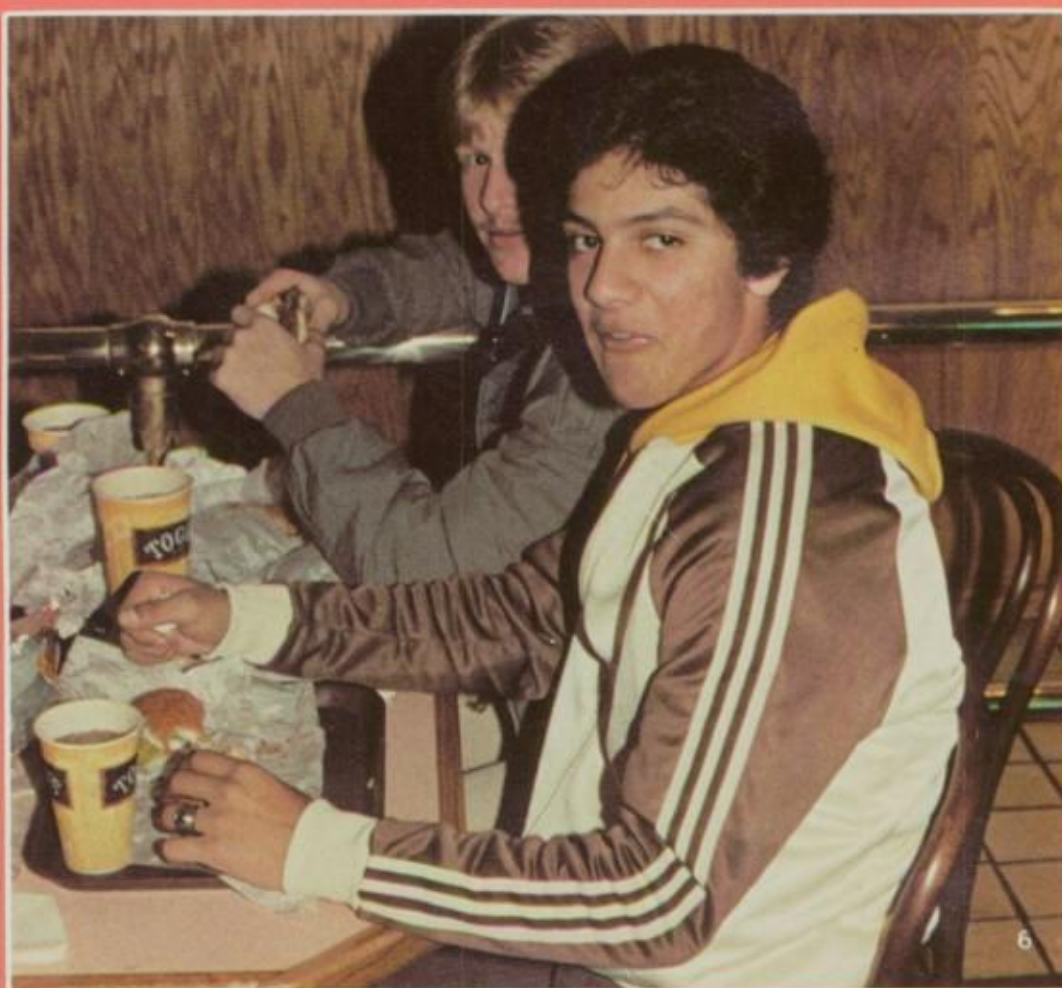

campus. As soon as the bell rings after fourth period, some people walk, drive, or run to the nearest fast food hangout. Burger King, Round Table, Togo's, and Taco Villa are among the highest rated. Other places, such as Elegant

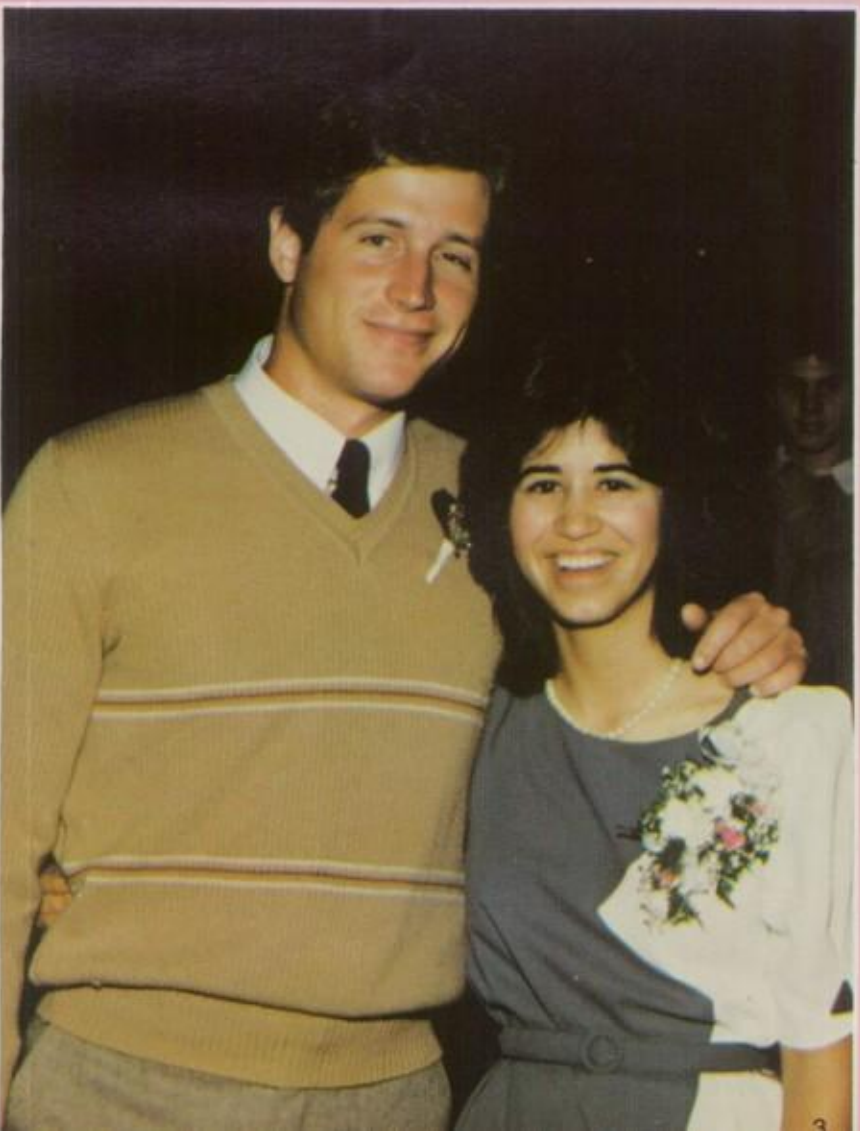

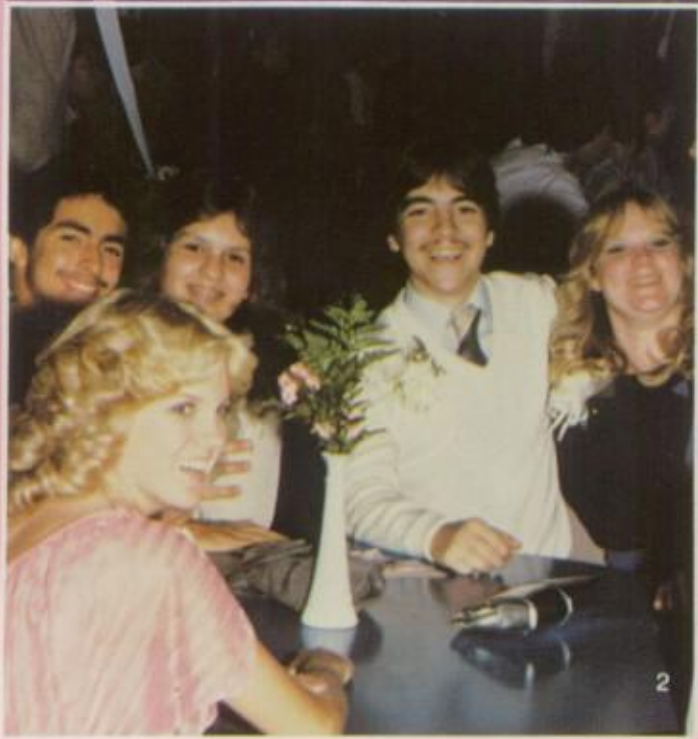

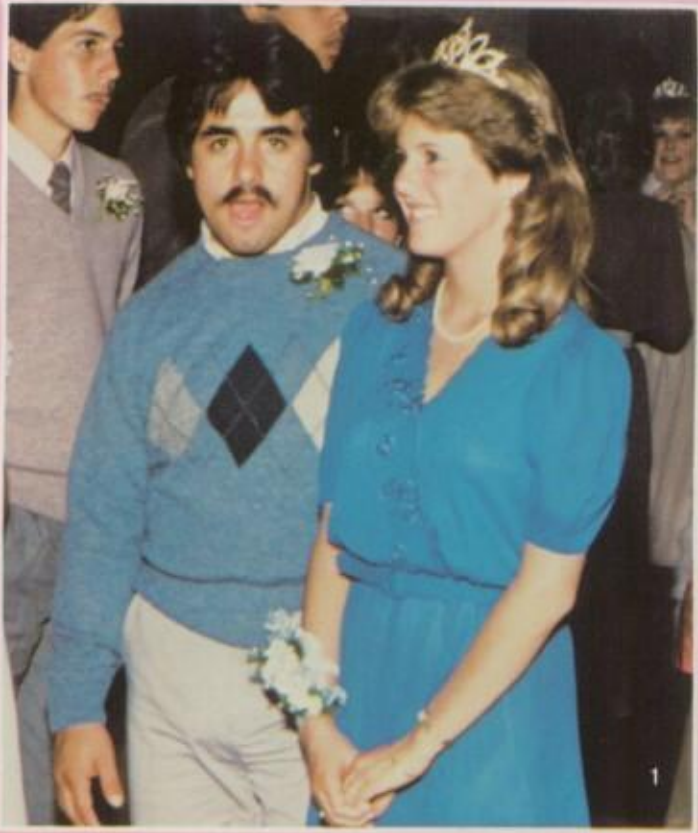

Buns, 7-11, McDonalds, Carl's Jr., Orange Julius, and Der Wienerschnitzel, also serve as a refuge during lunch. Gunderson students even have their own local hot dog stand on the corner of Pearl and Ogden. Keep on Munchin'!!

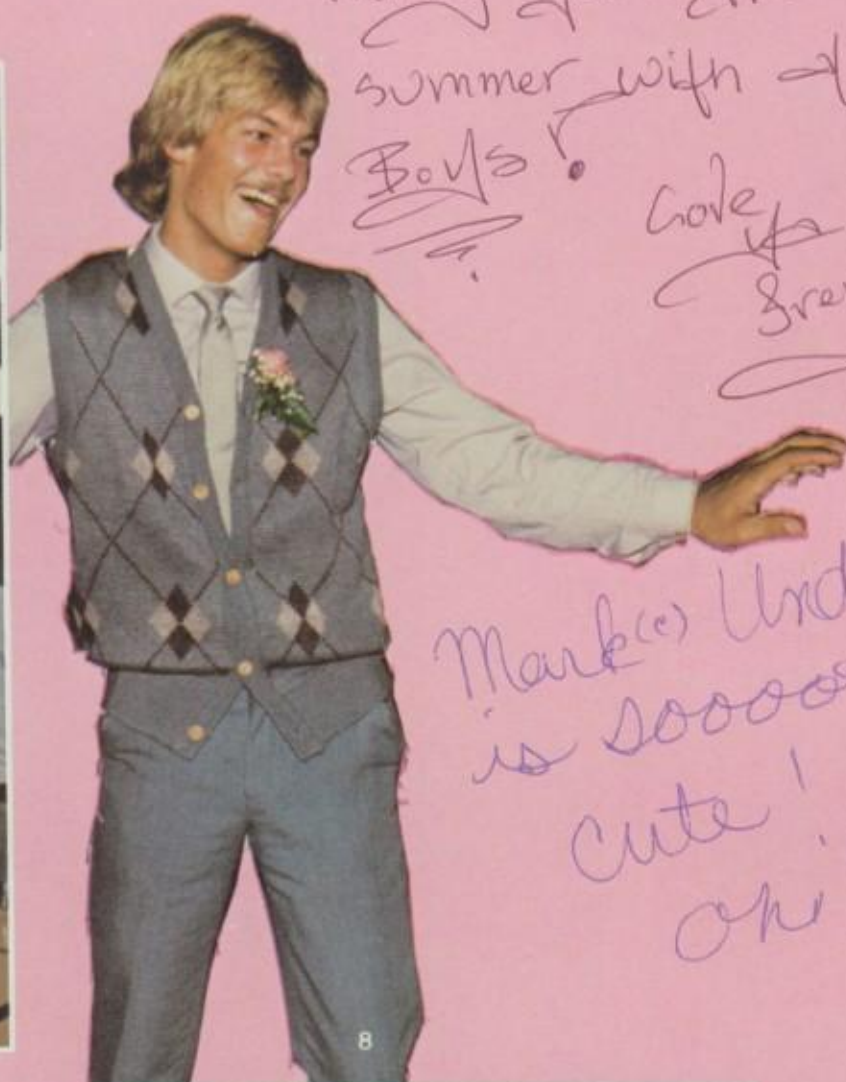

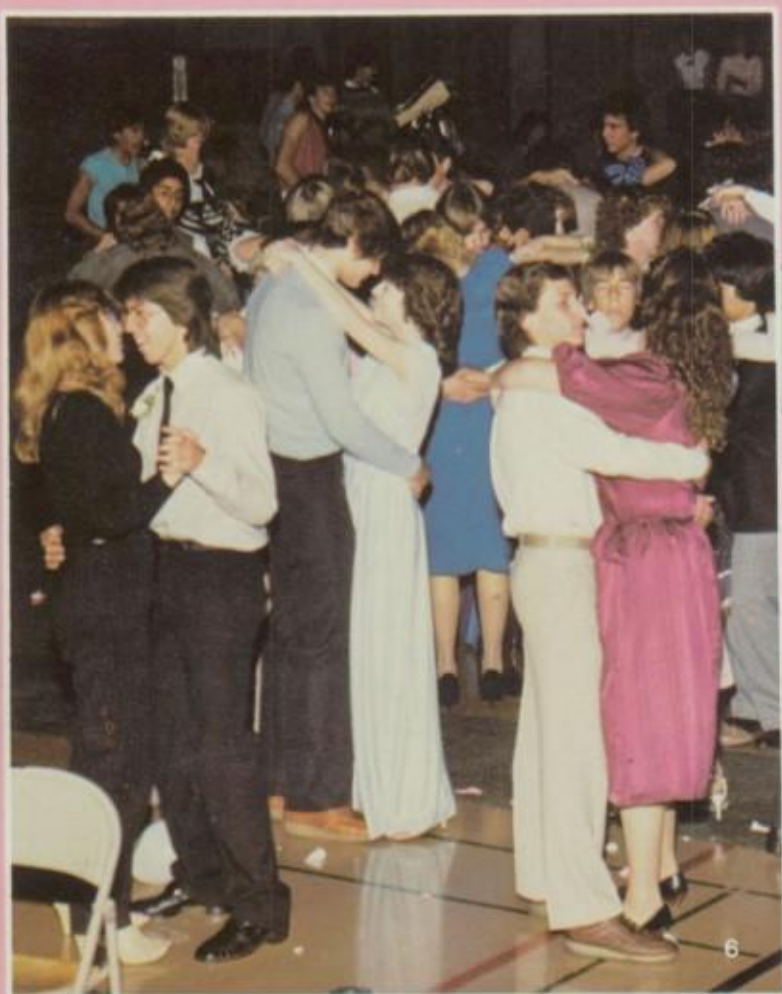

1. Like Mike Jones, Round Table is visited by many students, especially after basketball and football games.
2. During lunch and on Friday and Saturday nights, 7-11 is visited by many students. Dave Morrow and Kim Coy buy munchies during a break.
3. Burger King, the most popular of hang outs, is enjoyed thoroughly by Hugo Gamboa.
4. Denise Reyes relaxes at Taco Villa.
5. Kim, Doris and Christine enjoyed hotdogs and corn dogs at Der Wienerschnitzel.
6. Mike Terrazzas pigs out on a Togos sandwich.
7. Tim Pasquenelli hurried over to Carl's Jr. in Oakridge during lunch.

Topping It Off →

After Homecoming week, parade, and game, what else could top off the week better than the Homecoming Dance? Not much! November 5th was definitely a fine way to end a full week of fun. The dance was well underway by the time the Homecoming Royalty was introduced. Everyone gathered around the red carpet as Barbara Uyeda, Gunderson's first Grand Marshal, announced the Royalty. The music was supplied by rock group Starrider and proved to be fantastic! The colors were pink and grey and the theme of the dance was "Up Where We Belong." The evening started at

8:00 p.m. and everyone was disappointed when 11:00 rolled around. As they say, "Time sure flies when you're having fun!"

1. Last years Homecoming Queen, Kerry Quirk, returns to give away her throne.
2. The crowd takes a break.
3. "He's my main man!"
4. "We're in Love."
5. "All right let's go party!"
6. Students dance and romance.
7. Sean and Beth "hang loose".
8. Mark Underwood gettin' down.
9. "Oh my god, she's got my dress!"

What A Day! ➔

Homecoming Day

- 1 Follow the Leader.
- 2 Jennifer Mann performing at half-time.
- 3 Dan Arace makes a great catch.
- 4 The Freshman's prize winning float.
- 5 The crowd anxiously awaits the games inevitable victory.
- 6 Mama Bear cheers on the Grizzlies.
- 7 Carolyn rides proudly.
- 8 Jennifer cheers for her brother Mark Coulter.
- 9 The boys send love to their moms.

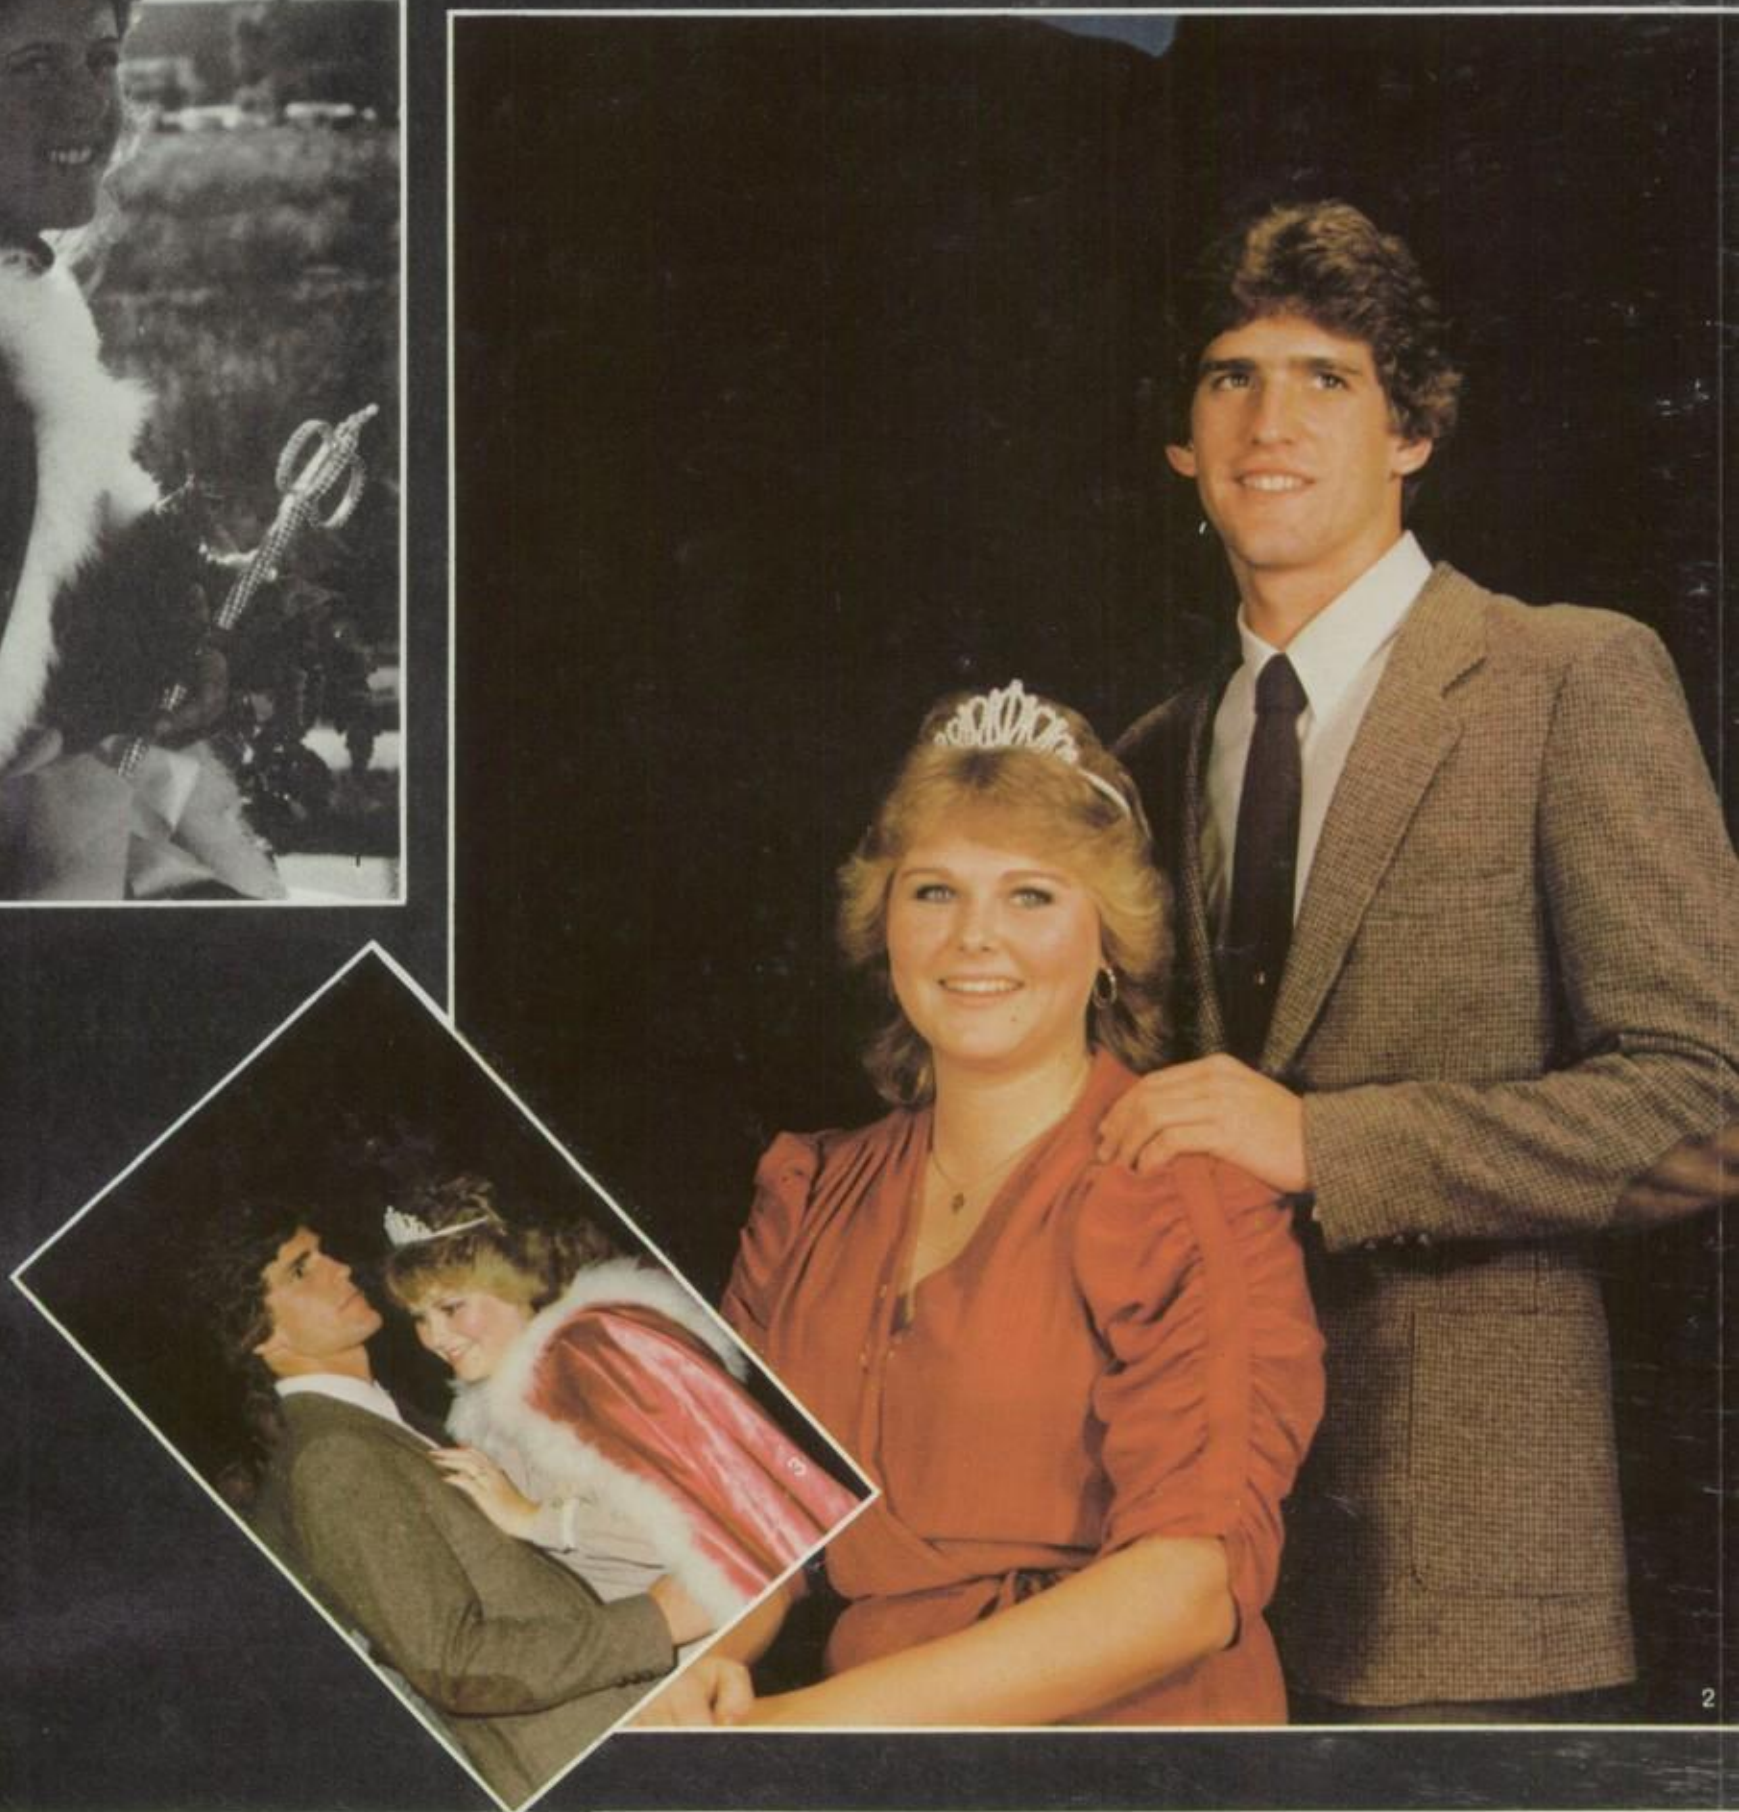

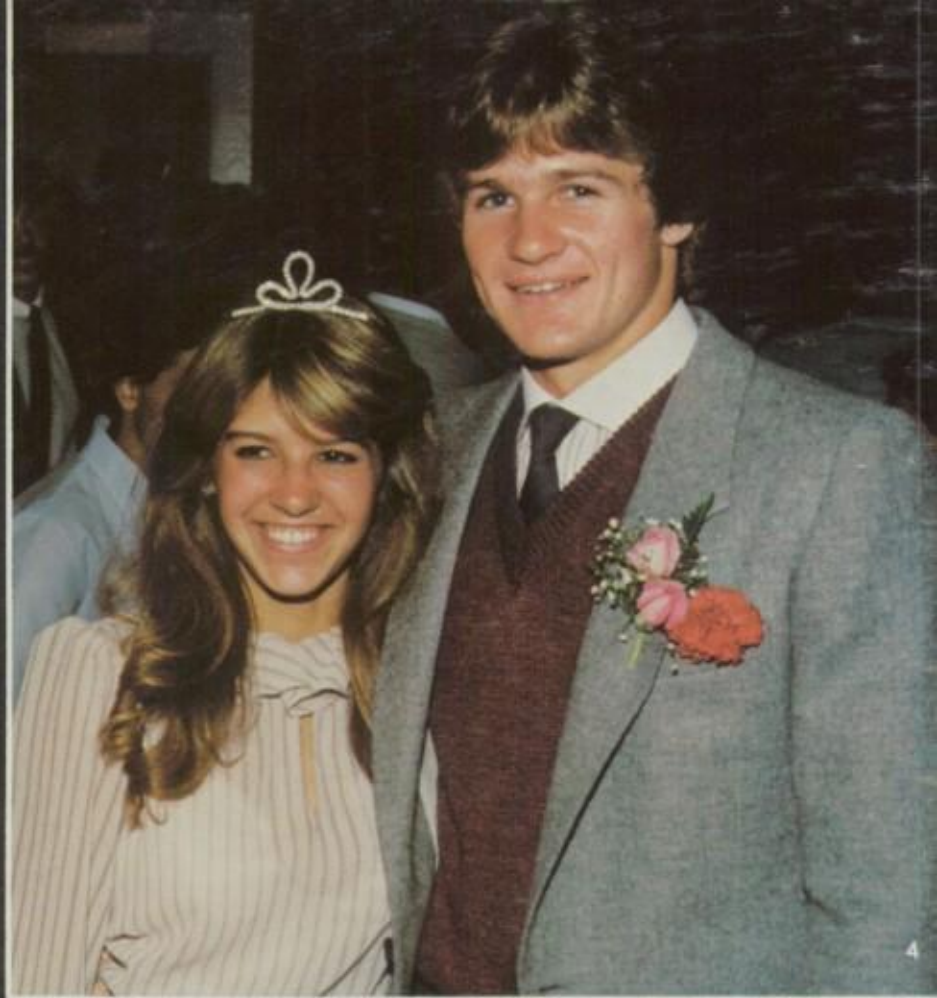

Again, Homecoming was another fine success. Homecoming week started off on Monday, October 31. Everybody wore their costumes. Tuesday was sweats and pajama day. Students wore their sweats, robes, and slippers. Wednesday was No Lincoln Colors day in which students did not wear blue and gold. Thursday was inside out day. Students wore their pants, shirts, and jackets inside out. All seniors were invited to attend a senior rally. There were streakers who ran through the gym in their bathing suits, and one streaker, Chris Hill, got locked inside the gym. We had five radical new male cheerleaders who got the crowd spirited. Friday was Gunderson color day. We had a rally that sparked the crowd for Saturday's game.

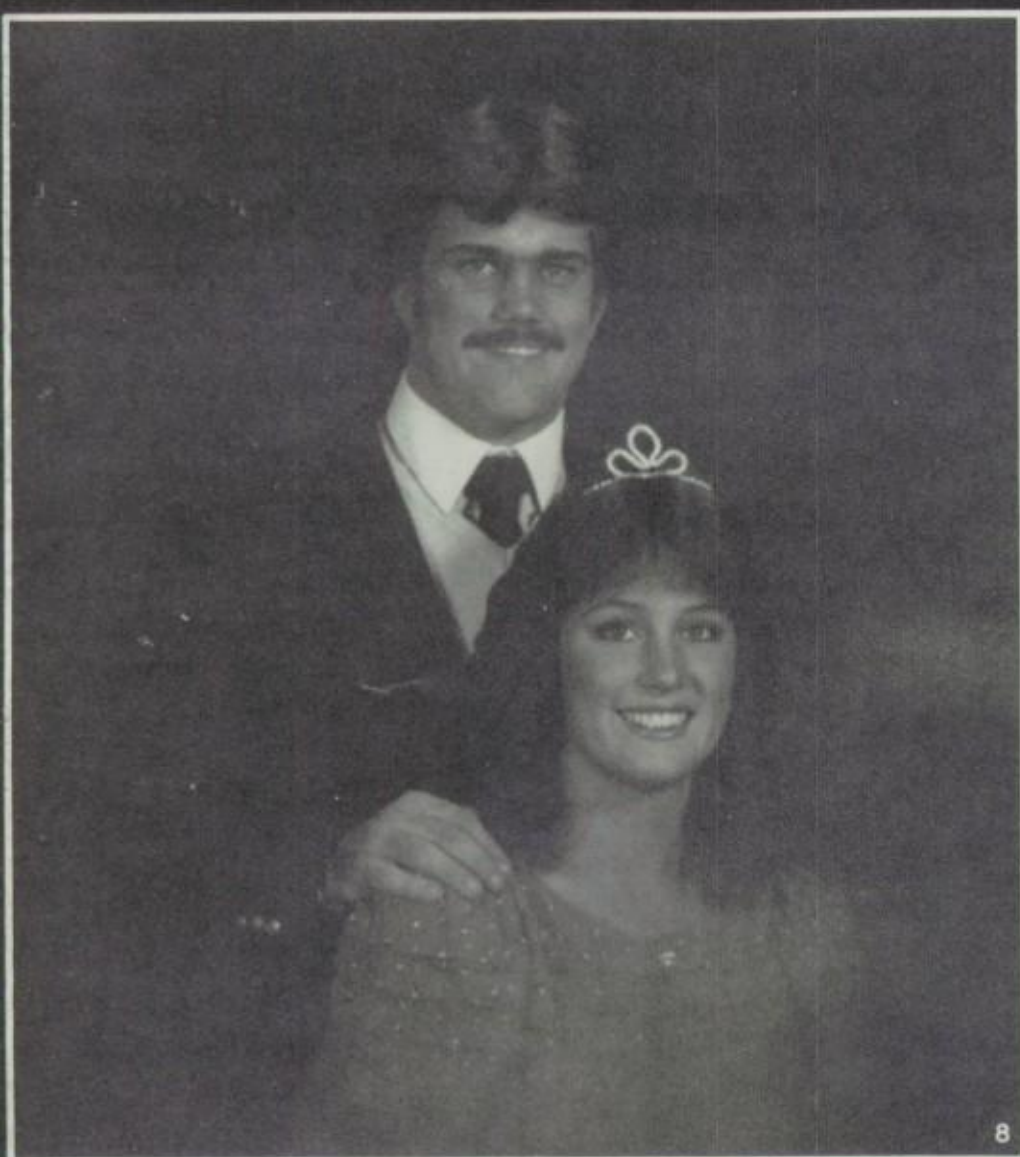

Over 3,000 people attended the Homecoming Game held on November 5. The theme was "Up Where We Belong." In the parade there was a total of 30 floats, the most Gunderson ever had. The Freshmen won the float competition with their 3-dimensional airplane. Among the items sold by the different classes, were key chains, hats, scarfs, mugs, pennants, programs, pins, and candy. The day started off victoriously with J.V. winning 42 to 0. This team is Gunderson's first J.V. team that has ever gone undefeated. After the J.V. game, the crowd was all sparked up. At 1:00 the parade started at Oakridge Mall, and went down Blossom Hill Road, turned onto Pearl Avenue, down Ogan Avenue, and into the football stadium. The king, Jeff Powers, and the queen, Mia Hogland, rode modestly on a white Cadillac while waving to the crowd. At 1:30 the Varsity's victory began. Gunderson took the Lincoln Lions 34 to 12.

— The Royal Treatment ➡

Have you ever wondered what it might be like to be a member of Gunderson's Homecoming Royalty? Ten Gunderson students were elected this year to represent our school and our school spirit. These students, our Homecoming Royalty, showed their Homecoming spirit by riding and smiling in our parade.

Who are these special people who were elected Homecoming Royalty? The reader can see for himself because these students are here gathered for posterity.

1. Former Queen Kerry Quirk waves to her former classmates.
2. Mia and Jeff smile for the camera.
3. King and Queen Jeff Powers and Mia Haglund dance the night away.
4. Smiling, Carolyn Harshberger and Mark Coulter show how much fun they are having at the Homecoming Dance.

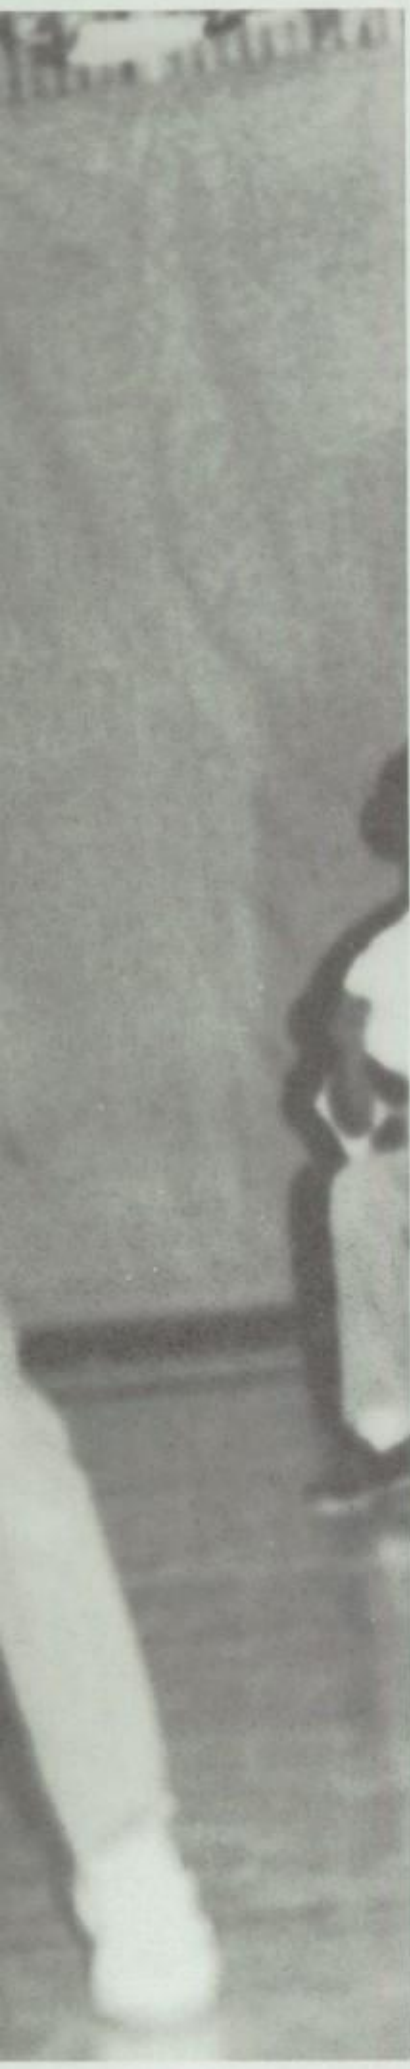

5. Homecoming Sophomore prince and princess Laurie Chapman and Doug Johnston show them how Royalty should act.
6. Freshman prince and princess Carol Avila and Ryan Turner smile sedately at the camera.
7. Surprise! is the reaction to the Royalty announcement.
8. Junior prince and princess Kathleen Capitulo and Ryan Wirt show their Homecoming spirit.

The Gunderson staff put on many entertaining rallies. The spirit squads, faculty, and students put a great deal of time and effort into their performances. These photos are just a few glances at the many zany, funny, cute, and crazy things that were done.

1. Do the CONGA!
2. Raise your hand if your sure.
3. OH NO! not the fight song again.
4. He aint nothin but a hound dog!
5. Gunderson ROCKETTES.
6. Lean to the left, lean to the right.
7. Look at ME! Look at ME!

RALLIES

1. Shannon, Marty, and Robin-Hold their heads up high.
2. The cast sings "Jump."
3. Barbara and Marty perform a family duet.
4. Romey Says "Taa daa!!"
5. Diane does the "twist."
6. John, Romey, and Jeff sing the blues!
7. The chorus line kicks high.

Broadway Review

This winter the school choir class performed a Broadway musical review. The review was no average choir concert, it came complete with dancing, costumes and a set, not to mention singing. The show featured over thirty songs from over twenty-five musicals, past and present. There were old favorites such as "Everything's coming up Roses" to new Broadway hits like "Memory" from Cats. The show was conceived, pulled together and directed by Mrs. Pegi DiBari.

The show included soloist dancers and singers Shannon Linke, Barbara Bengford, Jeff Draper, Cicly Oris, Diane Gottheiner and alumnus Marty Bengford. The show was choreographed by a student here at Gunderson Barbara Bengford and another alumnus, Jeff Bengford. The show was only performed one night, Thursday January 12, and included the entire sixth period choir class. With much sweat, work and talent, the 1984 choir show was the best ever!

— Student Government Leads the Way —

THE SUPREME COURT OF GHS plays an important roll in student government. It is the branch which interprets the student body constitution and runs all elections, insuring that all processes are fair and legal. Members of the Supreme Court are busiest at those times of the year when various elections take place, and they are seen on campus delivering and collecting ballots. If there is ever a question of whether an item is legal, it is the Court's responsibility to settle the issue. The Supreme Court is composed of one Chief Justice and ten other justices. They must file applications, be interviewed, and elected by the student council. They meet twice

monthly to discuss their role in student government.

Gunderson Associative Student Body (ASB) is the center of the school's activities. The student council meetings are held every Tuesday morning at 7:50. The group is made up of the officers, class officers, and advisory representatives, and they are responsible for many activities each year. Their big event of the 1983-1984 year was Homecoming. This year's was more successful than ever before. Dance attendance was more than doubled over prior years, due to the ASB's extra involvement. The ASB started a new staff appreciation program this year. This

program was devised to let students and teachers know that the extra work a faculty member does, is appreciated by the students! The ASB is most proud of the attendance at council meetings. This year the students at GHS took an interest in Leadership and school activities and helped the ASB maintain excellent attendance at all activities.

Inter School Council (ISC) is a group of students from all over the San Jose Unified School District. These students meet every Tuesday and promote ideas to improve their Middle and High Schools.

Couples Pair Up →

The Snowball Sadies was a blast! Everyone showed up with their dates wearing marching sweaters and ready to dance. The music, played by "Sonic Sounds", got the students up on their feet poppin and breaking. Another dance was a success. At 10:30 students left, but left with a smile.

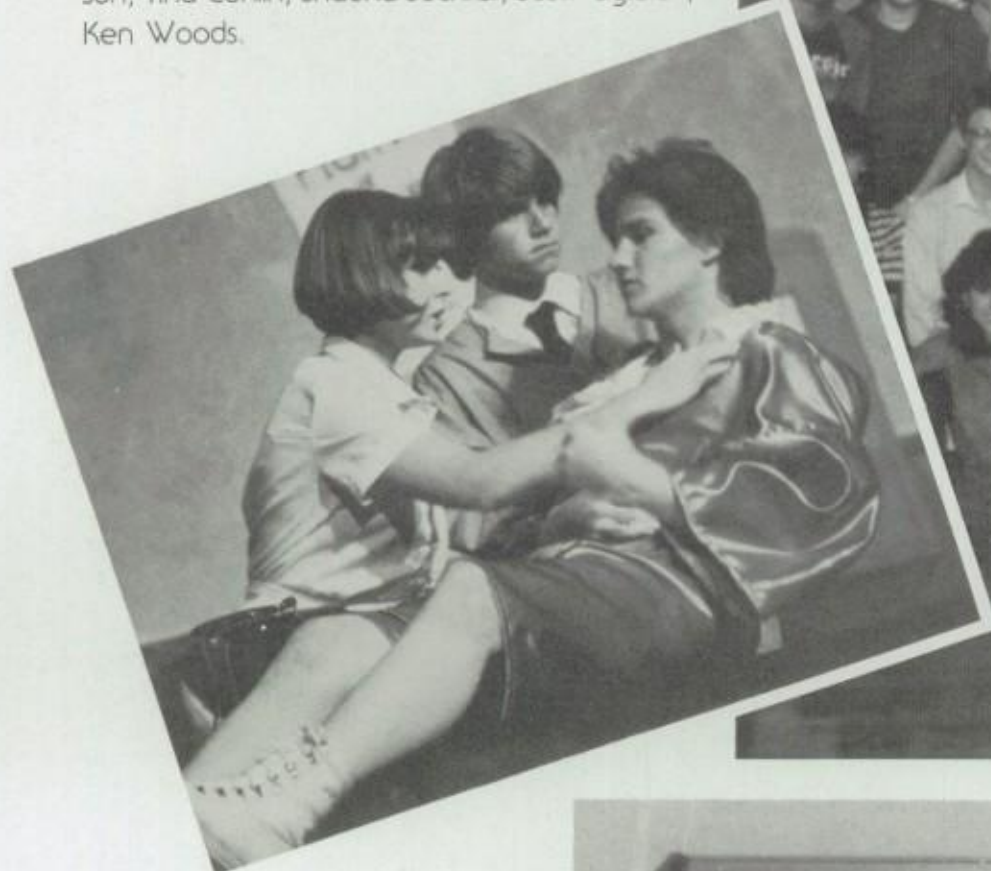

1. "Hey babe whats happening?"
2. "Come on Doug, smile for the camera"
3. Heather forcing Scott on the dance floor.
4. Julie Chapman having a good time.
5. "Why are you laughing Katie?"
6. Whip it, whip it good.

The Future Farmers of America is an organization dedicated toward keeping the farming heritage of America alive. The members of the Gunderson chapter of the FFA compete in fairs and other competitions.

It takes hard work to prepare for competition — months of preparation go into each presentation. All FFA members should be congratulated for all the hard work and time they have put into the organization this year.

PTSA - On The Move

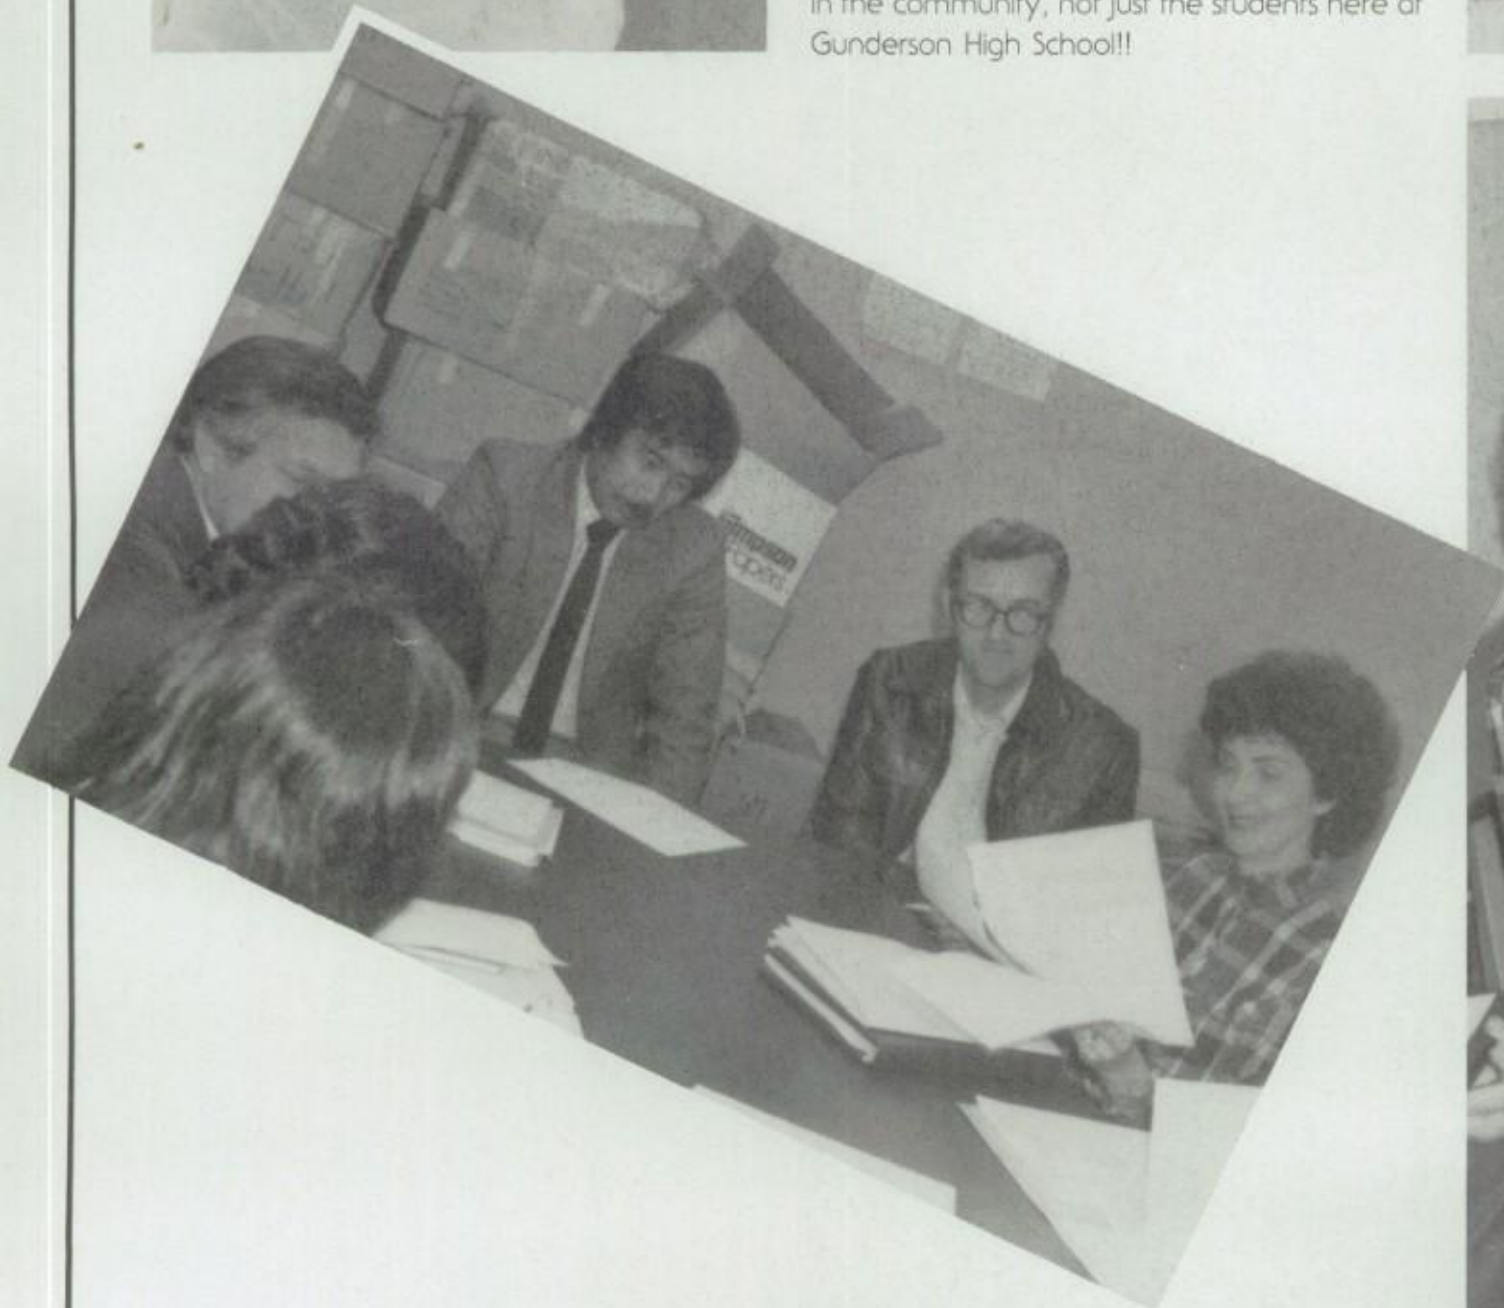

"The PTSA is flourishing under the leadership of President, Aiko Fadness," stated Barbara Bean, this years PTSA secretary. The leadership and involvement of parents, teachers, and students, has influenced legislation to equip more funds towards the educational system, and to raise the chances for scholarships to graduating students.

This years "Big Event" for PTSA was its first Annual Academic Honors Night, which was to encourage scholastic achievement for all students, at all grade levels, earning a 3.0 or better grade point average. This is the first time ever any school has held such an activity.

The PTSA has promoted fundraisers to give recognition to students at all grade levels. They have also supported Instructional materials that the district does not provide. Another program that PTSA supports is the Gunderson Link, a newsletter which is sent home, which gives parents and students available information of upcoming activities.

As one can see, the PTSA benefits everyone in the community, not just the students here at Gunderson High School!!

GHS GETS GRIZZLY! ➔

Gunderson students once again proved that they are a very talented group of people at the annual Gunderson talent Show. Emcee Dennis Moran fired up the capacity crowd with his rendition of the song "Cow- Patty." Because many more gifted performers than were needed tried out, only the very best acts were chosen.

One of the best comedic skits was the one performed by Mark Coulter and Kevin Hoffman. The crowd went wild as Kevin and Mark parodied duets by couples Srevie Wonder and Paul McCartney and Michael Jackson and Paul McCartney. Marty Bengford, a Gunderson graduate, earned a great deal of applause for his puppetry. He and his down-puppet were very good.

A special highlight of the show was a performance by Gunderson's own Janet Mann, an accomplished baron twirler. She amazed all with her ability to juggle three twirling barons and do flips while keeping her barons in the air.

"Puttin' on the Ritz" was a virtual sell-out both Friday and Saturday nights. Everyone who went to see the student performers had a terrific time and saw a great show.

1. Dancing like a pro, Barbara Bengford Prouettes.

7. Eddie Madrigal "breaks" out!

Heaven Can Wait

The Fall Production, Heaven Can Wait was one of the most successful shows in Gunderson History. It was directed by Betty Gardner and produced by Robin Pugh and Shannon Linke. The show is the story of the problems a young fighter, Joe (Scott Jones), encounters when he is accidentally removed from his body too early by an overzealous messenger from Heaven, 7013 (Robin Pugh). The matter is complicated when Mr. Jordan (Sean Smith), orders 7013 to return Joe to his body only to discover that Joe's manager, Max (Jeff Maini), has cremated Joe's body. Mr. Jordan and Joe end up at the Farnsworth estate where Jordan convinces Joe to take the body of Jonathon Farnsworth, who

has been murdered. Along with the body, Joe takes a private secretary, Tony (Jeff Draper), and a wife, Julia (Angelique Sundemeyer) who are in love and are conspiring to kill Jonathon. Joe decides to keep Johnathon's body because he falls in love with Bette Logan (Linda Vick) who loves Joe as Johnathon. Joe as Johnathon, shocks everyone, including the head Housekeeper Mrs. Ames (Diane Gorheiner). Just when Joe has his new life ironed out, Mr. Jordan returns to inform Joe that he cannot stay in his new body because Julia and Tony finally manage to kill Farnsworth. Joe rebels but Jordan convinces him to take over the body of his idol, K.O. By chance, Joe and Betty meet and

fall in love once more.

The play was well attended by both the students and the faculty and well preformed by the actors.

WHAT THE ... !

Sometimes in life you just gotta say "WHAT THE ... !" Sometimes you do stupid things that you later regret, but luckily we got them on film. Have you ever been set up? Or have you just been in a crazy mood? We've all had these experiences. Did you ever lay on the grass hoping some one would check you out? Have you ever tried to break and really did? Don't feel bad, we've all done these things at one time or another.

At Gunderson High School the students are made up of crazy, fun, people who show their school spirit and feel this is their time to act immature. These memorable times we will all look back on and laugh later in life!

Spirit Makes It Great!

The Gunderson spirit for the first time consisted of a full forty one members which is one of the biggest squads in years. Over the summer, spirit attended the U.S.A. CAMP where they were awarded many ribbons and trophies. Spirit is designed to give girls the opportunity to make lasting friendships and work with others. This year they concentrated on "MAKING IT

GREAT." MRS. UYEDA, the spirit commissioner dedicates her time to the girls. She organizes rallies and sets up activities. She had created a sense of camaraderie and responsibility among the girls.

The Cheerleaders consisted of eight members. At camp they were awarded many awards and ribbons for their cheers. The Cheer-

leaders were a spirited group, dedicated to their school. They should be commended for their hard work and time.

There were two Varsity and one J.V. mascots on Spirit this year. Their effort and dedication added comedy and fun to the squads.

The J. V. Spirit Staff has been working hard all year. During the summer Spirit Camp, they received "Superiors" and "Excellents" in categories such as game actions and competition.

Being on Spirit is a time consuming activity, but the girls seem to enjoy it!

"Once you get used to the system it's easy

from there on", says Holly Holland, the head cheerleader.

The 83-84 Spirit Staff has been doing great. The squads consist of six song girls, six cheerleaders and one mascot. They have been doing their job of keeping up Gunderson's high reputation.

From The Other Side Of The World ➡

Coming to a new school and having to go to a new school (where the students come from a culture totally different from what one is used to) can entail many adjustments. As one foreign exchange student says, "I really enjoy the atmosphere at Gunderson; the classes are shorter than those at home and the students here are very friendly. The biggest adjustment was getting used to the styles of clothing in America."

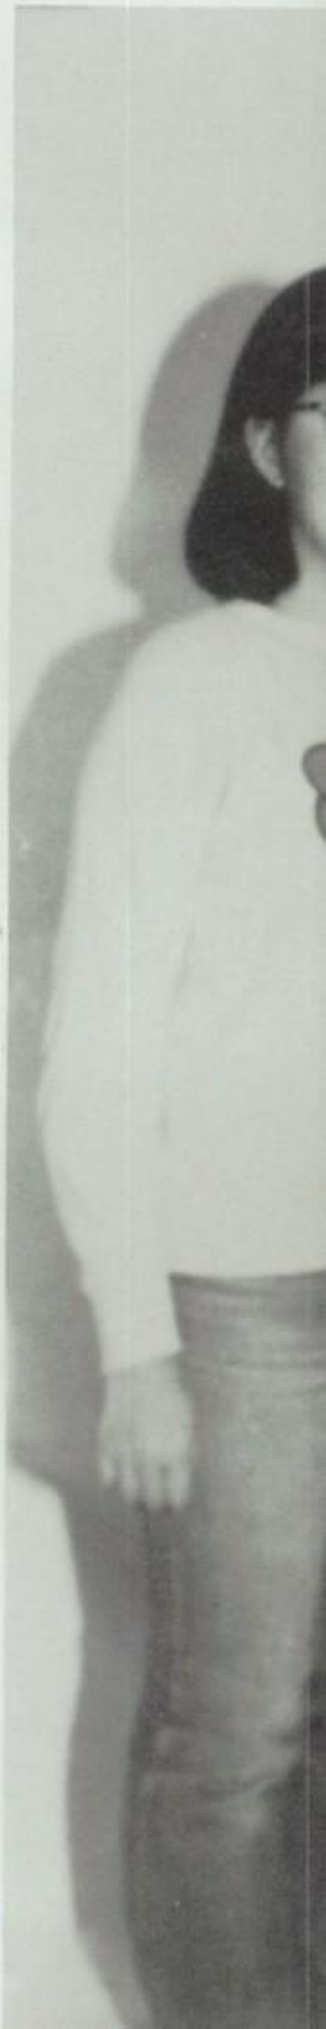

Foreign exchange students are a highly visible group and are well known around campus.

Their distinctive hairstyles and clothing make them stand out among Gunderson students. As one can see, The foreign exchange program here at Gunderson is going strong!

The foreign exchange students were: Elizabeth Torngvist (Sweden), Niclas Cronstoe (Sweden), Erik Niss (Sweden), Ricky Praetz (Germany), Martin Schaefer (Germany), Susanna Wai Hung (Hong Kong), George Voll (Germany)

1. The "gang" all together. 2. Meeting new friends. 3. International arm wrestling champs. 4. Sushi break? 5. The foreign connection. 6. Niclas reading a love letter from home. 7. So, who took my lunch?

Cupid strikes at Gunderson High.

To help spread the spirit of love, the Junior class sponsored a free-for-all Valentines Dance, on Friday, February 17. The dance was held in the gym, which was appropriately decorated with hearts, balloons, and streamers. Throughout the course of the evening, people were able to dance with their favorite valentine to the music provided by Kelly and Kline from K.W.S.S. The excitement continued through the entire night. The music played from 8:00-10:30 and everyone danced and enjoyed the fun for the two and a half hours that it lasted. In the eyes of most people, this dance was a lot of fun and a great success.

In all of the excitement, "Sweethearts" Steve and Julie try out a new dance step. (upper left hand corner)

Jennifer gets down to the music by Kelly and Kline. (lower right hand corner)

Love goes on as Tina and Ken dance the night away. (upper left hand corner)

Though there were many things going on and everyone was doing different things there was a common thought between everyone and that was "this is fun".

— Chess At Its Best —→

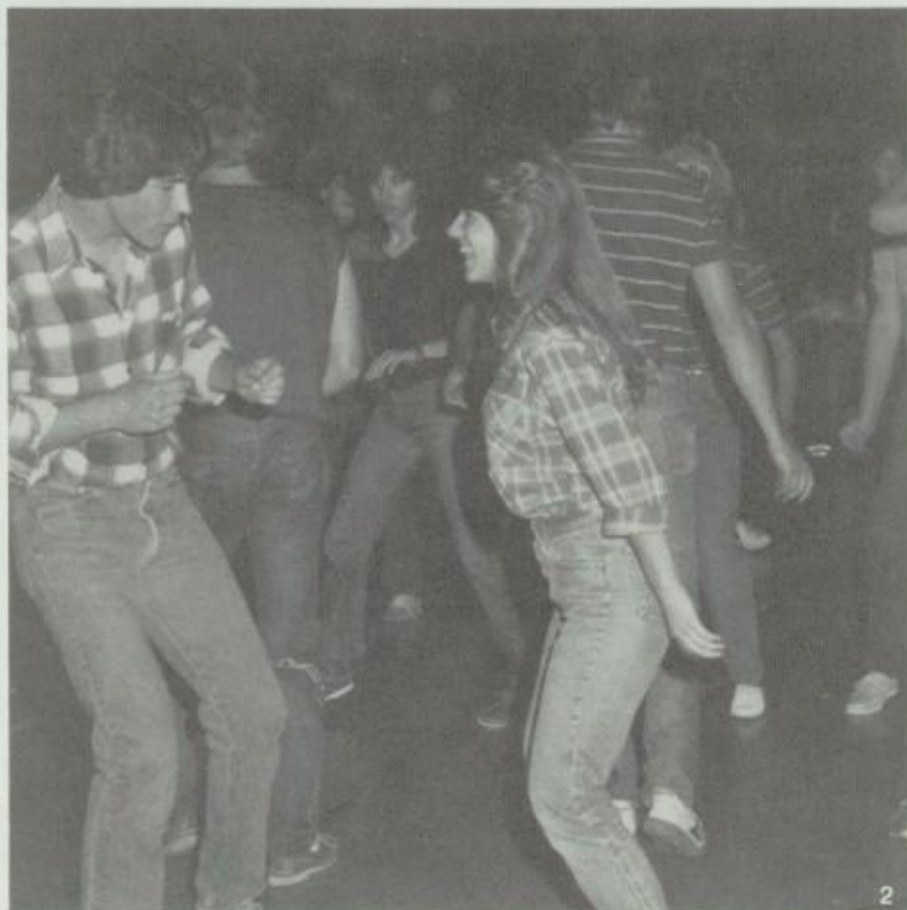

The Gunderson Varsity Chess Team has established a tradition of excellence: We are very proud of our coach, Bill North and of all the Champion Chess Players. The team played an outstanding year with 10 wins and only 1 loss. The highest scores were made by Todd Morimoro, Steve Arnold and Jeff Lowther. All three of them had an impressive record of 8 wins, 2 losses and 1 draw. The point total came to 8.5 each.

The team shot (left) is listed in order:
Front Row: Kim Dang, Bryan Clausen, Steve Arnold (captain), Dave Klaussen, Gene
Middle Row: Robert Russo, Brent Hooten, Jim Pham (captain), Todd Morimoro, (captain) Mike McQueen, Kerry Hodson,
Back Row: Jeff Lowther, Mehra Hosseini, Bill North (coach), Tom Whittemore, Jeff DeKryff.

Camera Shy: Tim Flores, Tim Giannosa, Joe Hernandez, Dan Lepok, San Ngo, Fred Townsend

Hoppin' and Poppin' - Gettin' Down at Sadie Hawkins!

On Friday, March 23rd, everyone "Cut loose, Footloose, and kicked off their Sunday shoes!" yes once again Gunderson held its annual Spring Sadies. Everyone was gettin' down to the Rad sounds of "Hot Licks." The D.J.'s provided anything from rock, to new wave, to soul, to slow ballads, so everyone had his chance to shine.

The Sadies was traditional with the girls asking the guys, however many people didn't dress the theme of Western or Southern attire. Most couples looked sharp in their marching outfits. The night was an extremely smashing success.

It seemed everyone had an Awesome time and danced the night away. Many people were "popping" to the instrumental song "Rockit," which really set the mood. As quoted by Mindy Serpa, "The dance was so cool I could have stayed another three hours!" And certainly everyone who went was sure to agree.

1. Joe, you're jammin' again!
2. Rick and Carolyn- Footloose and fancy free!
3. The "Famous Arm" swingin' Joelle.
4. Double Couple- Keith, Cathleen, and Julie, Jeff
5. Hey Lori, Don't let go!
6. Eric and Michelle sharing a special moment.
7. Having fun Jeff?

Paw Print Makes Its Mark

"Having a diversity in the personalities and talents of the staff members results in a variety of fresh ideas and suggestions making the paper better over all," commented Ms. Hamor, Paw Print advisor. Ms. Hamor has held the position of Paw Print advisor for eight years. She explained that having a returning editor, Kathy Thornberry, was another big plus in the staff.

The journalism class is meant to provide a positive, fun and rewarding learning experience while also offering the Gunderson students, faculty and community a quality source

of both information and entertainment.

The Paw Print staff directed a majority of their efforts at attaining a greater variety of stories, equal sports coverage, more special features, and new lay-out and make-up styles.

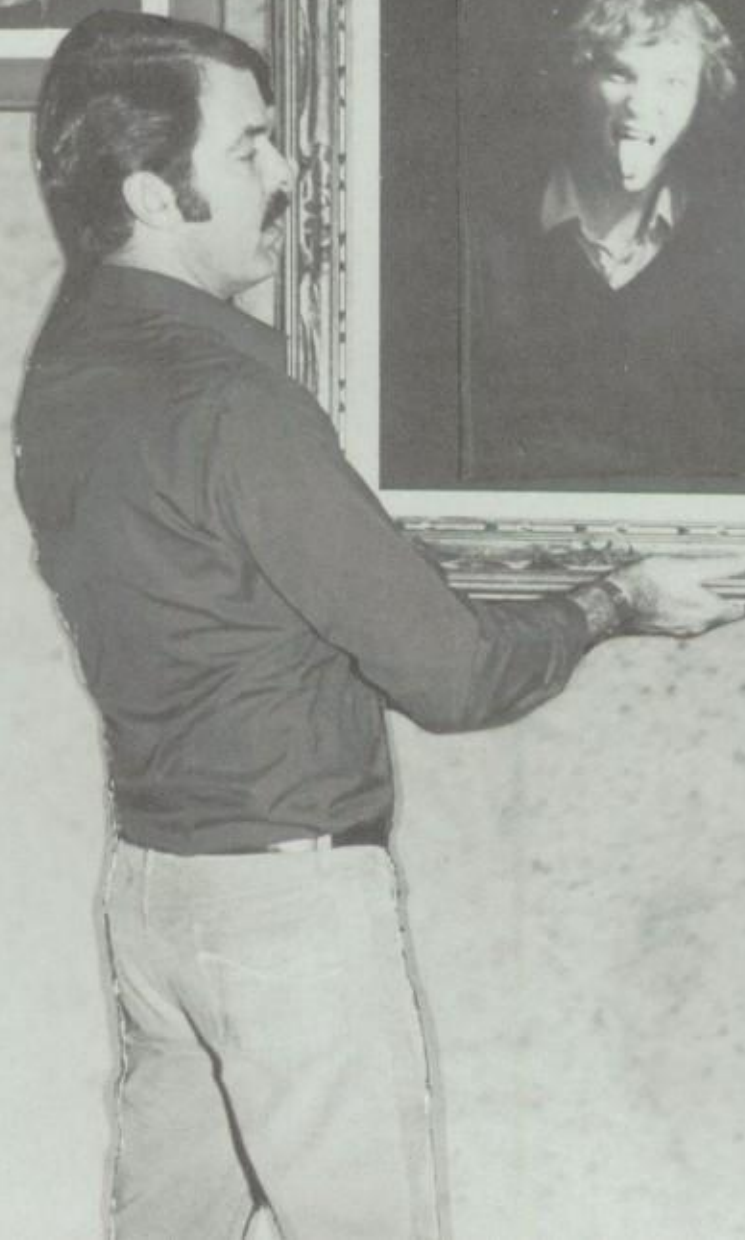

Kathy Thornberry served her second year as editor. Kris Fowler helped as co-editor, while Sandor Palagyi took on the job of layout editor. Ryan Wirt added his talents as sport editor. The staff writers and reporters were Chris Bucholtz, Sean Coplen, Kris Fowler, Jacquie Hernstedt, Kevin Hoffman, Shandor Palagyi, Mindy Serpa,

Steve Shonack, Nicole Smalley, Kathy Thornberry and Ryan Wirt.

2. Nicole Smalley looks over her work.
3. "It goes likes this, Sean."
4. Mindy Serpa and Shandor Palagyi critic the paper.
5. Kevin Hoffman and his buddy.
6. "This is interesting."
7. "Another exciting day!"

Photo Journalism consists of a special group of 16 experienced photographers, most having at least one year of experience. The class does a variety of journalistic and artistic photography. Most people think it's all fun and games or a kick back class. It's true that we've had some times of fun, but most of what we do is hard work.

As editor of photography, I would like to thank each photographer for all their hard work and diligence. I'd especially like to thank Gary Kurotori for all the extra hours of work he's done to help me. A special thanks also goes to

Gary LeBaron for his encouragement in some of my worst times. I appreciate all of the special jobs done by Leslie Robins, Suzie Dembowski, and Jim Firlit. Without all of you, I couldn't have made it. Most of all, I would like to express my deepest appreciation for the guidance and help from Mr. Jones and Mr. Roar. You're not only good teachers, but great friends. Thanks for helping me through all my trials this year. I am grateful to the faculty, students, and photo staff, for all their cooperation that helped make the photography for this yearbook work. Best Wish-

The yearbook staff worked extra hard to put out a special book for the 83'-84 year. The dedicated staff members spent many hours working on **El Oso**, often staying until 6 or 7 p.m. The staff believes this is the best yearbook Gunderson has had, as well as the largest. The editor Gina Pecoraro, along with her section editors Parry, Pam, Linda, and Katie are all Seniors and will not be returning next year, but the lower classmen claim they will do a fine job next year as well.

More of the Best . . .

The Class of '84 is one radical class! We're made up of the funniest, friendliest, craziest, most off-the-wall group of people. Remember when a few of the guys did their own little cheer at the Senior Rally? The Class Competitions when the Seniors **deserved** to win? Filling out college applications and receiving S.A.T.

scores? We all felt sorry for the poor souls who got Allen for English. Man, was he hard! How we strived for the D-! The new friends, the parties, the dances, the football games (Ha-Ha Leland!) will always be remembered. Those poor "little freshmen" were so small—we couldn't resist teasing them. Someone would

always be saying "Seventy-nine days till graduation" or "Only twenty-one more days!" Towards April and May, the famous line would be "BEACH!" For most of us, "Senioritis" hit in mid-September, but we made it! These and many, many more memories will never be forgotten by Gunderson's Class of '84!

4. Larry at work- for a change!
5. Dana and Cara take it easy.
6. Blondes have more fun!
7. James Green-"I'd rather be running!"

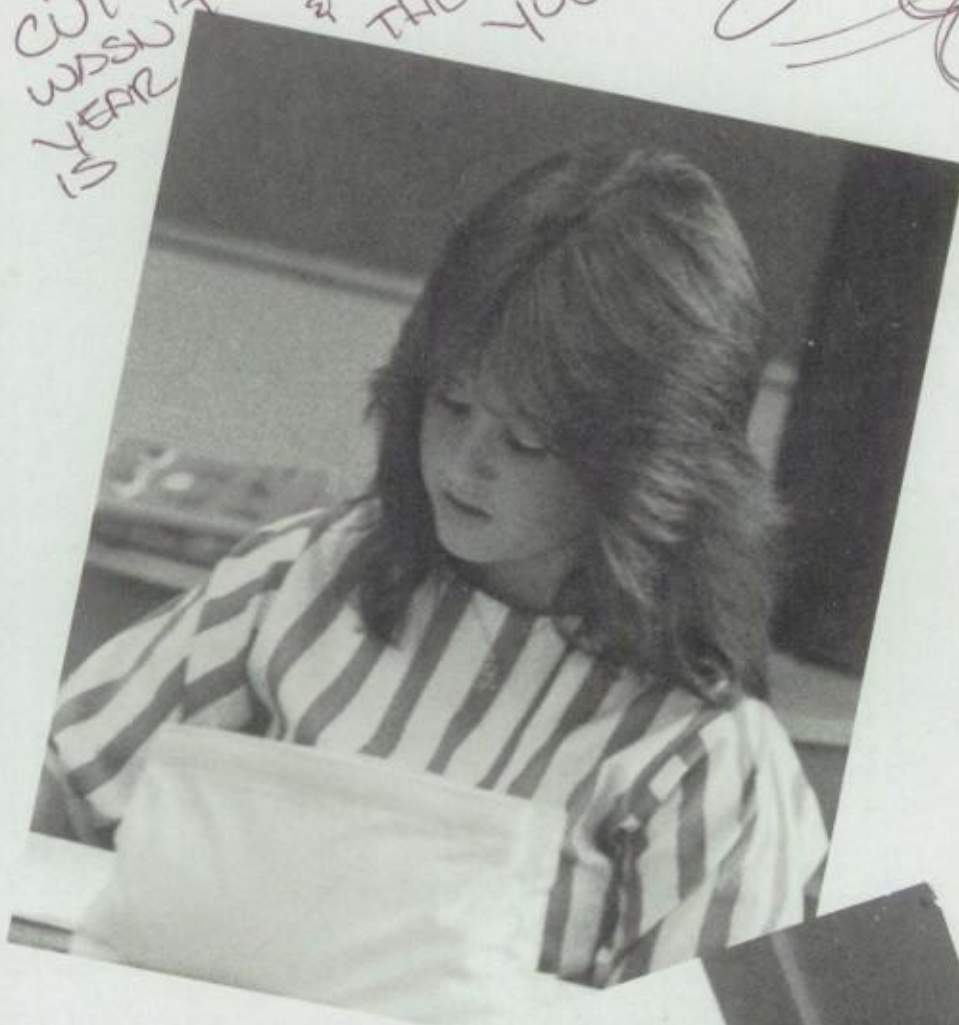

As wonderful as school days are—
So full of fun and laughter—
The best and richest times you'll know
will come a few years after . . .
So close the door behind you now,
And as you turn away,
Review the dreams and plans you've made,
And hold them fast today . . .
Walk proudly as you move along,
Feel young and strong and free,
And let your heart repeat these words—
"The best is yet to be!"

YOU KNOW YOU'RE A SOPHOMORE WHEN ...

1. You're mistaken for a freshman.
2. You ask your parents for responsibility and they give you a dog.
3. You want a job.
4. You write a note so you won't forget something and you do anyway.
5. You wait all week for that big party and your parents tell you you have to be home by 10:00.
6. You only get picked on by two upper classes instead of three.
7. Homecoming comes around and you get left at home.
8. You spend all your lunch period looking for someone to drive you to lunch.
9. All the sophomore girls are going out with senior guys.
10. You have your permit, but you don't have your license yet.
11. Your parents have to meet the people you go out with.
12. You still have to sneak into an "R" rated movie.
13. Your teacher already knows your brother, sister, father, etc.
14. Your mom still buys your clothes.
15. The only key you own fits the lock to your bike.
16. You finally have your hair styled just the way you want it, and the style has changed.
17. You have another year until your braces come off.
18. Your date picks you up and his dad's driving.
19. At your 16th birthday party, the guy you like leaves with your best friend.
20. Everything you wear either fits too big or too small.
21. Your date takes you out to Burger King on a 2 for 1 special.
22. Your parents ask you to say your younger so you can get into the movie for a cheaper price.
23. That special boy promises to call at 8:00, and your mom is on the phone until 9:00.
24. You can stay up later, but your parents censor your programs.
25. Your parents have to keep replacing your stereo speakers.
26. Your parents keep telling you to take back your scratched records, although it's still music to you.
27. During the week you lose 5 pounds, but during the weekend you gain 10 pounds.
28. The only guys you like are freshmen.
29. You're referred to as so-and-so's brother or sister.
30. Everybody has boyfriends except you.

Shannon,
Hey Sweetie! I'm
glad you were in my
W.S. class. It's
finally over! Well
I want you to
have a fantastic
summer and I
hope we know each
other better next
year!

The sophomore class representatives are: president- Diane Rose, vice-president- Debbie Esteves, treasurer- Laurie Chapman, and secretary- Laura Magallon.

(2) It's Pam Jensen and Laurie Doll. (3) Freddie Morales surprised by the camera with Doug Johnston in the background. (4) That's John Morgan in the field. (5) Vicki Vogel having a snack. (6) Laurie Chapman enjoying a game. (7) Kris Wilson and "friend" taking a breather. (8) Sean King and his buddy "studying" in the library. (9) Sophomores support the home team. (10) Robin Williams, future scientist. (11) Cindy Diaz passing by. (12) Valerie Milum at a swim meet.

One Last Look At Sophomores

1. Shikha Ghosh patiently waits for the bell to ring.
2. Michelle Wackerman flashes a smile.
3. Jeff Watanabe, Jill Koering, and Kelly Pericic talk things over during lunch.
4. Patty Lopes says "Hi!"
5. Joe Nemcik takes a break.

6. Dominique Delarosa hard at work.
7. Maurica Galentine caught off guard.
8. Jon Strecker working hard in biology.
9. Rick Wilson and Teina Lathrop enjoying each others company.

Leaders Administer to GHS

It is said that Gunderson High School is staffed with some of the best teachers in the valley, but they are supported by one of the best administrative staffs as well. Led by Principal Basil Huffman, and George Romero, Pat Cabral, and Bob McPeck, Vice Principals, the administrators act as the leaders of the school who direct the many functions vital to Gunderson's success. They exhibit their support of the school by attending many school activities and the various athletic events. El Oso staff proudly presents the GHS administrative staff.

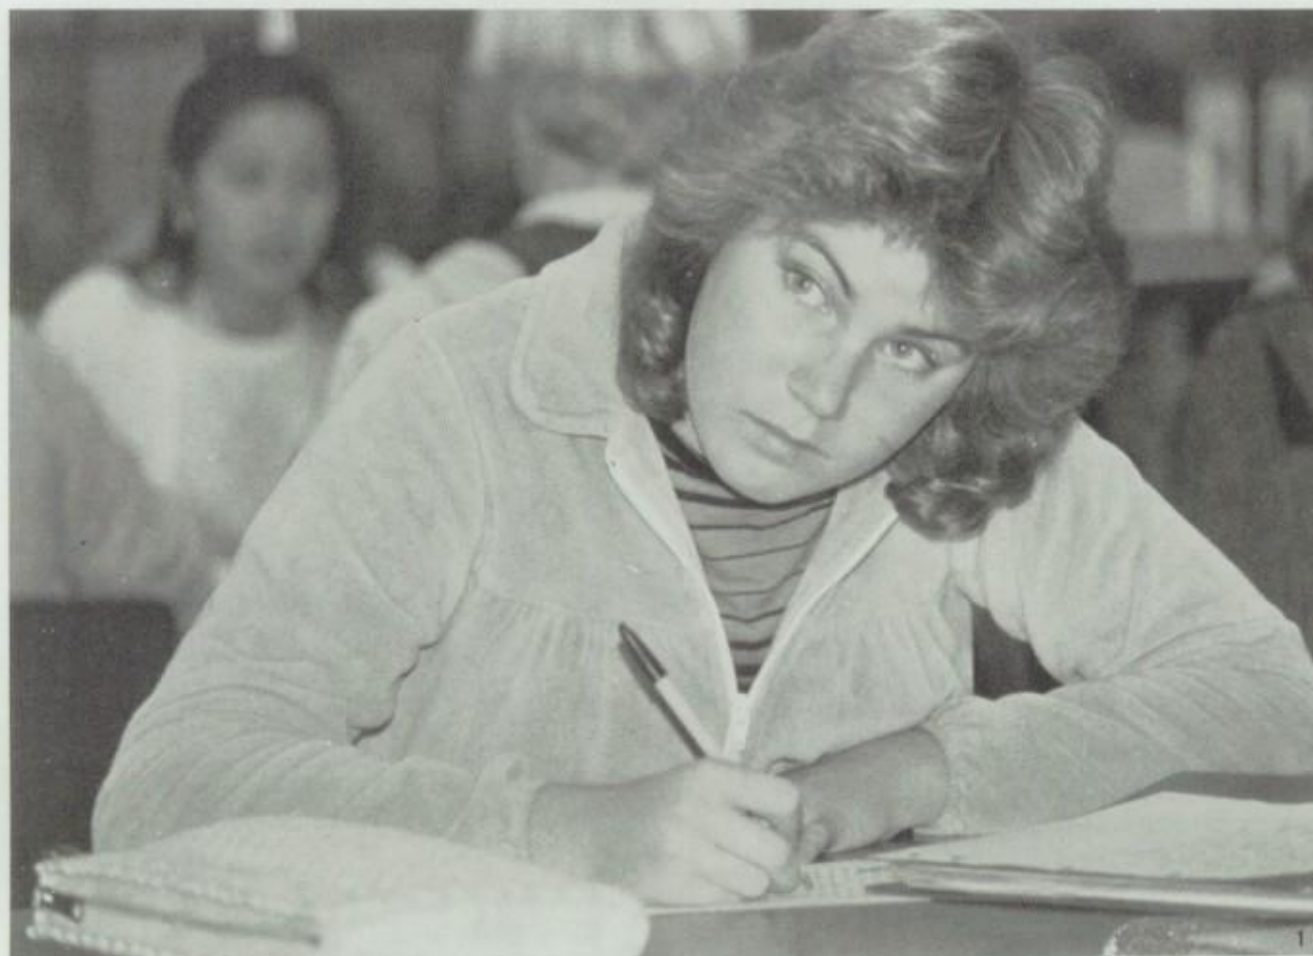

1. Bob Mcpeek is the unit one vice principal. His main responsibilities include guidance, counseling, and overseeing the master schedule.
2. Pat Marshall checks her appointments for the day. She is the Guidance Specialist at GHS.
3. Principal, Basil Huffman, takes a phone call in the middle of a typically busy day as #1 man of Gunderson High School.
4. Pat Cabral is the unit two vice principal. Being a consultant to the School Site Council is one of her many duties as a vice principal.
5. George Romero, unit three principal, stops for a yearbook photograph on the way to one of his "favorite" meetings. Mr. Romero is in charge of all student activities.
6. Administrative secretary Jeannie Yonemura keeps everything running smoothly for administrators and GHS.

Striving For Excellence

The Math department has always strived for excellence. This year is no exception. The countless number of mathematical skills from the basic addition to complicated calculus formulas are taught at Gunderson. The student will be able to use the skills learned after graduating. Gunderson

offers a variety of classes including: Geometry, Algebra, Computer Programming, and Calculus. Not all classes are advanced classes, though. These classes deal with the basic arithmetic that most people take for granted. But, these classes provide a sturdy foundation for future use.

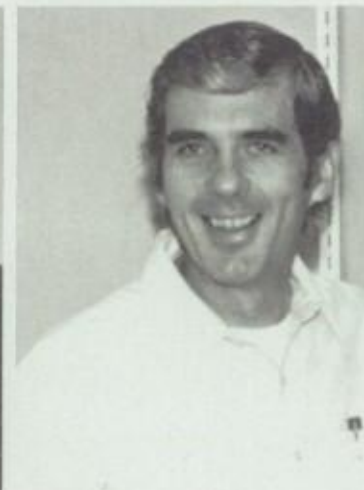

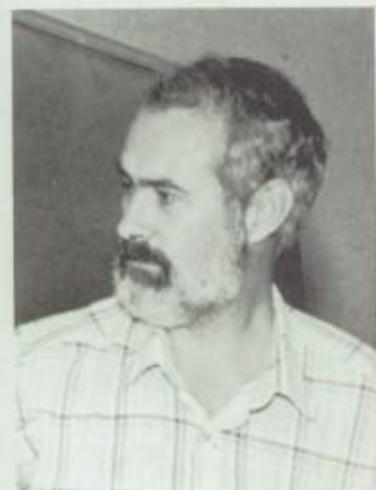

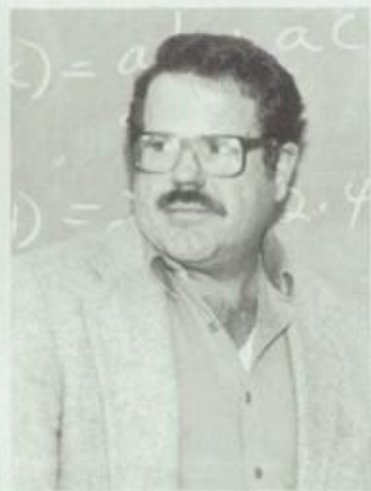

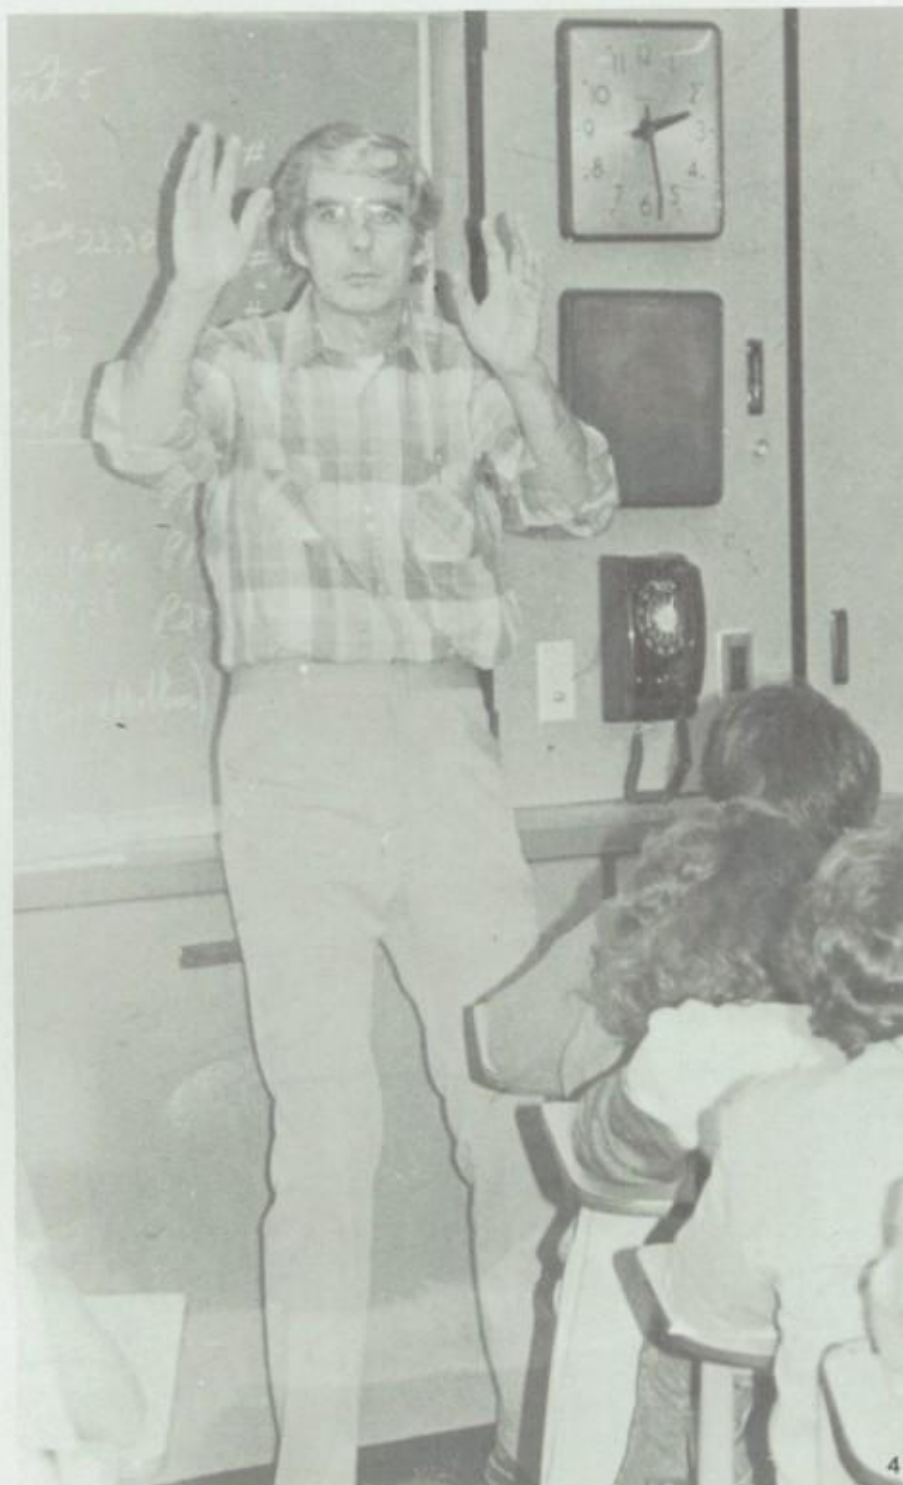

1. Lynn Brattmiller concentrates while doing homework.
2. In his math class, Kirk Nicholes studies hard.
3. While figuring out a difficult problem, Michelle Leon jots down notes.
4. Mr. Moore gets irritated at the photographer while teaching class.

History-Moving Up

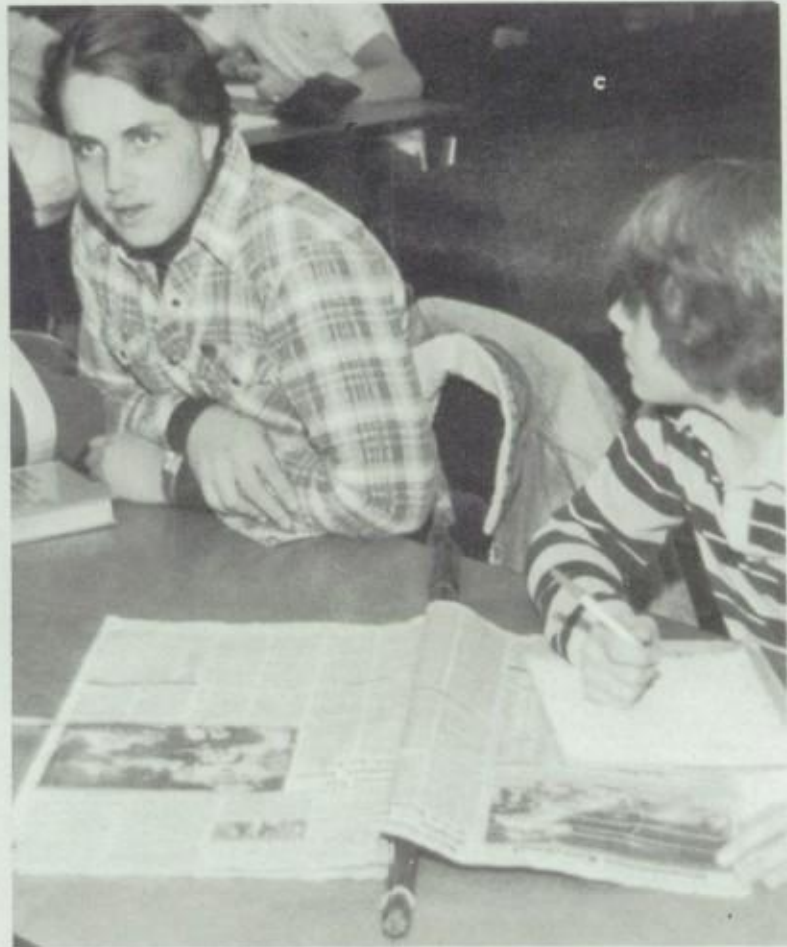

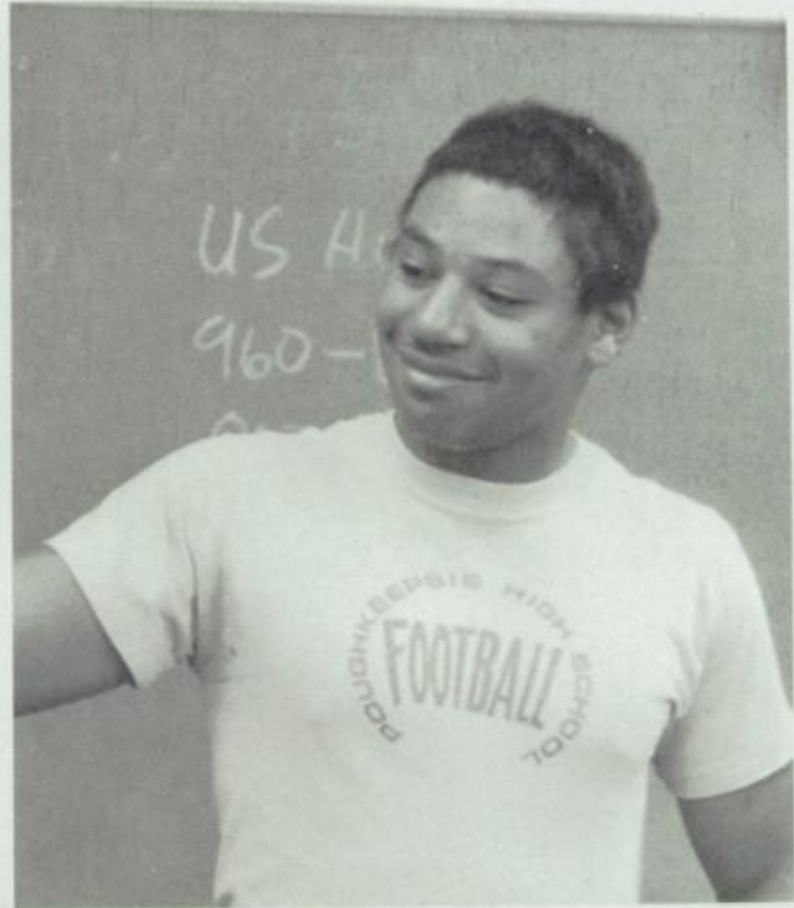

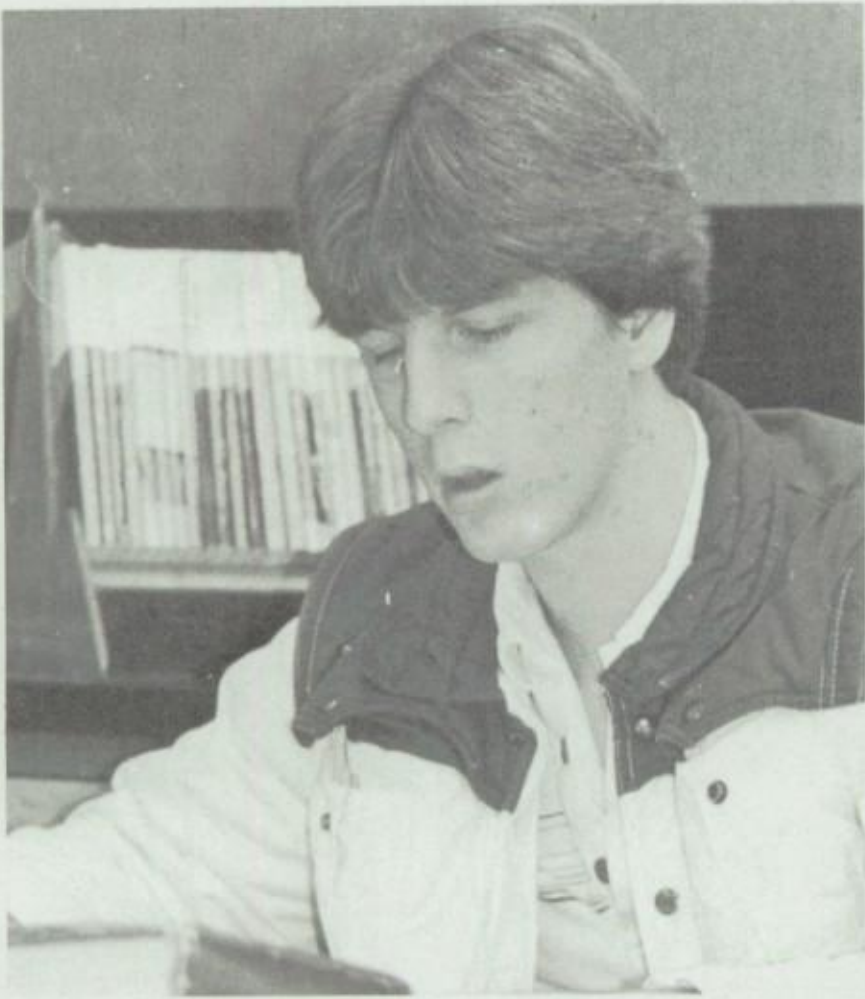

The Social Studies department is working on standardizing courses. They are trying to make sure students are placed in the right sections. Some of the staff members are working together on expanding the honor classes. For example developing a honors level for American Government. They are encouraging students to enroll in

honors classes so that they can develop a higher level of achievement. They are making an attempt to update and revise textbooks. All of these ideas are an attempt to make a better department. The Social Studies department is doing an excellent job this year.

7). G. Ishiwata
8). M. Walsh

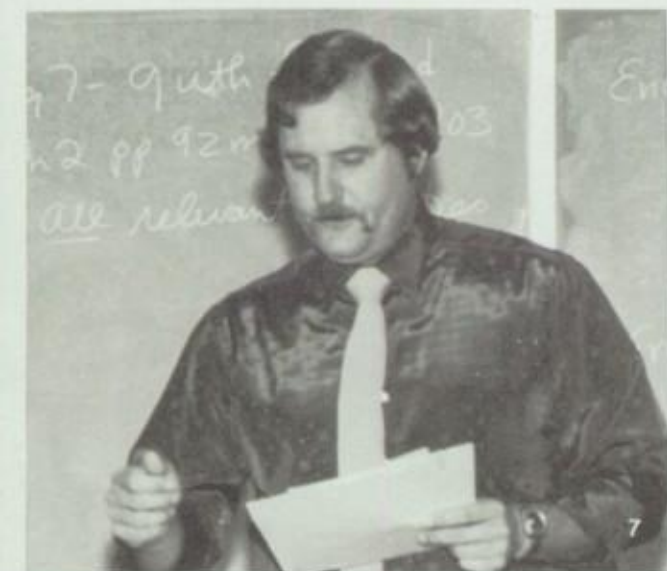

Miss Hamor explained that there are five different classes in the English department. These are composition, literature, grammar/usage, speech, and vocabulary.

The sophomores have received all new text books for their benefit. These books will contribute to the continuity of the course of study.

There are three different strands of English improvement. There is standard college recommending, honors, and English improvement. The English department is hoping to develop curriculum for standard college recommendations. Weekly meetings were held to define the honors program.

Students in the Fine Art classes achieve many skills that will help them in the future. They learn skills from "basics" all the way up to "advanced" methods of Fine Arts. Classes that require the use of Drawing, Planning, and Sculpting include Ceramics, Art, Graphics and Stained Glass. Classes that require Acting, or Camera skills are Drama, and Photography. Other classes that require the use of coordination, and writing skills include Yearbook and Leadership.

Special Opportunities are classes designed to help students with learning disabilities. English, math, science, and social studies are some of the classes offered at Gunderson. Foreign Language Tours Europe

France, England, Italy, Spain and Switzerland—some wonderful countries to visit. Gunderson students had the opportunity this year to visit these fascinating countries. Mr. Pastor, a new Spanish teacher at Gunderson who knows Spanish and French, is the counselor of this trip to Europe. He has taken other trips like this one with students from the University of Santa Clara and from San Jose State University. This trip will enable one to have the benefit of

seeing some of the greatest monuments, to appreciate the foreign cultures from which American culture evolved, to know more about the customs of other people, and to understand that San Jose isn't the whole world.

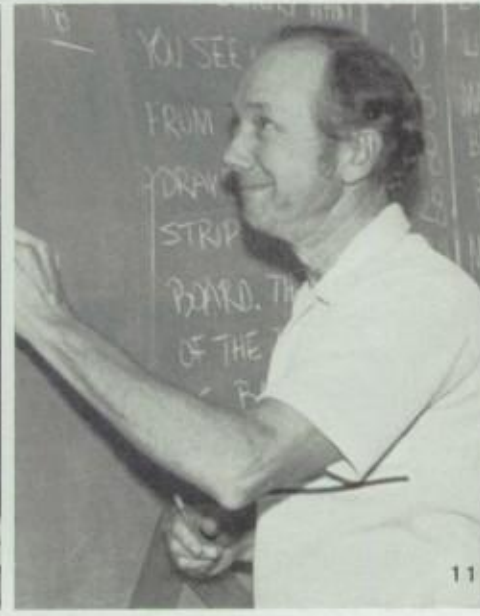

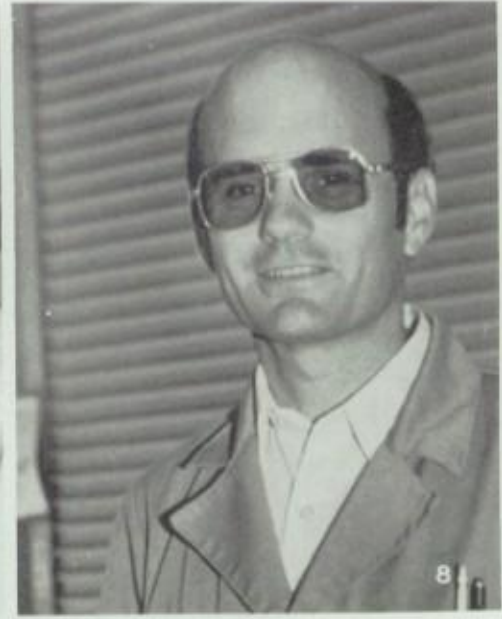

Exciting things are happening in the foreign language department this year. Miss Ragazzo is a new teacher in Gunderson. She teaches Spanish and two English classes. Another language teacher, Miss Nakashima, is the head of the foreign language department. All the teachers of this department have gotten together and worked hard to try to improve the development of programs, which includes larger class selection and higher class levels and AP classes. They showed slides of foreign countries. Also, they planned to have breakfast, lunch, or dinner with their classes during this school year. For example, Mr. Crockett and his French class brought French food to class during Christmas. These activities were great help to the students in understanding and learning foreign cultures and customs.

Applied Arts Put Theory To Practice

The applied arts program consists of classes in Home Economics, Industrial Arts and Agriculture. These classes are designed so students can learn to apply their skills to living situations. Only in these classes are they able to practice what they learn. For instance, in sewing students must not only figure out their own patterns, but also be able to constructively sew their garments. In this way students are given more individual attention than in other courses.

1. Smile, your on candid camera.
2. In sewing class Maurica Galentine is taught how to read a pattern correctly.

Gunderson has a very complete program for the Freshmen and Sophomores. The sports offered are softball, tennis, badminton, flag football, volleyball, swimming, track and field, and soccer. The sports are mostly the same for the Freshmen and Sophomores, but the skills are more difficult for the Sophomores.

Mr. Hernandez offers a special

powerlifting club for the Juniors and Seniors. It is the only one for high school students in this county. The club took first last year at the Seaside competition, it was the first annual powerlifting meet.

Juniors and Seniors don't need to take P.E., but raquetball, bowling, weightlifting, and powerlifting are offered to them.

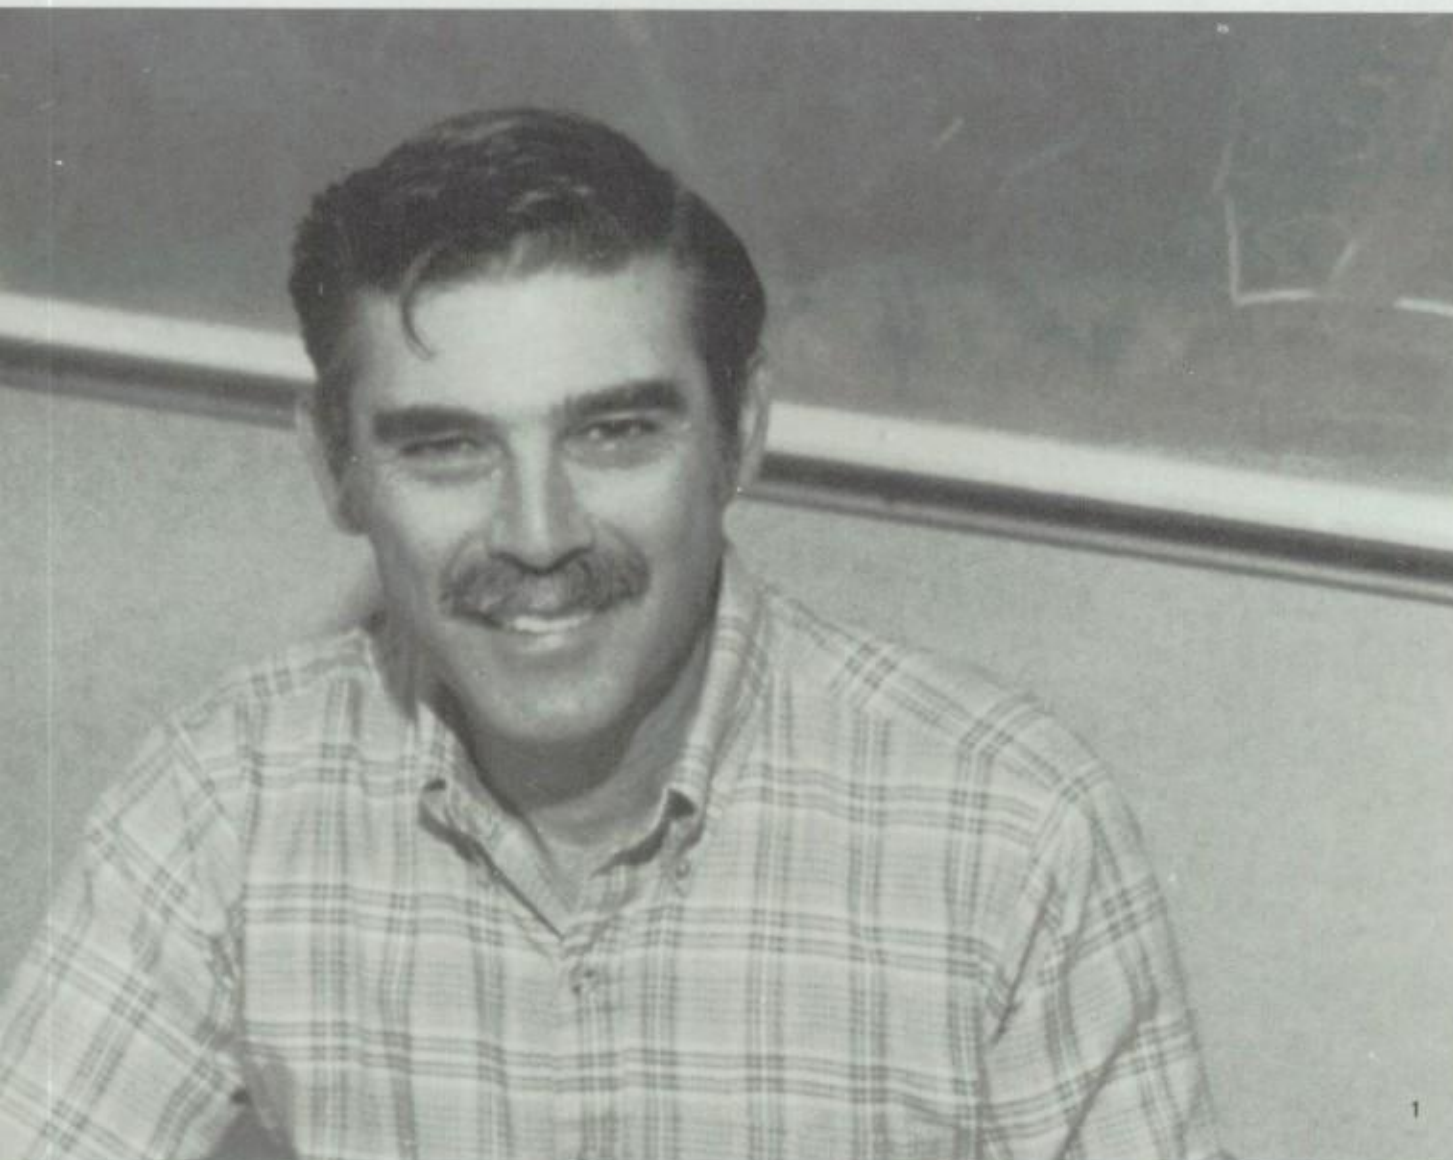

"Business is an elective," states Fender. "We like teaching it. It's so easy to teach a class when the students choose to be there."

The largest single area in the business department is typing and is taught by most of the business teachers. Classes offered as part of the business department are typing, word processing, office practice, book keeping, record keeping, and work experience.

One goal the business department would like to achieve is updating the

school equipment with word processors and electric typewriters with memory systems.

As a major goal the teachers would like to see every student enroll in a semester of keyboarding. The feeling is that keyboarding is an essential part of our modern life. The knowledge of the keyboard enables the use of the word processors and computers which will be as normal in our society as "Mom and apple pie."

Gunderson's Greatest Asset

Gunderson's Support Staff is one of the school's greatest assets. These people help out in any way they can and are a joy to work with.

The ladies of the cafeteria staff are one of the most supportive people of Gunderson Highschool. They are constantly participating in student activities and always give 110% of themselves. Without them, Gunderson would not be Gunderson.

Gunderson's Security are individuals who help keep Gunderson a positive-environmental place to be.

The school's custodians not only keep the school clean, but are always there to lend a helping hand.

The school bank takes care of the student body finances and the finances of other clubs and activities.

Secretaries are the "women behind the teachers"-they are the ones who type all tests, run off papers, and generally help the teachers and save the teachers time. In essence, the secretaries are the backbone of the school.

➔ *Grizzlies Stomp STAL*

The Gunderson Varsity Football lineup is as follows: Row 1 Chris Fukui, John Berntsen, Dan T'Souvas, Pat Medeiros, Tony Correia, Mike Terrazas. Row 2 Chris Tischener, Troy Wilson, Rick Augustine, David Williams, Jim Olson, Mike Caracalas, Eloy Jackson, Stephan Gold, Rainier Francisco. Row 3 coach Dick Bondelie, Keith Booth, Dan Arace, Dave Bringuel, Ron Capurso, Mark Coulter, John Andre, Jon Nodohara, Derrick Maddox, Dan Arens, Cheryl Korbel, Row 4 coach Vince Charlton, Gary Mazutis, Lance Swanson, Ralph Gooding, Ben Zussman, Scott Fiebelman, Tim Pasquinelli, coach Myron Zaccheo, coach Bill DiChristina, row 5 Steve Kirkendall, Ken Arizpe, Eric Lingenfelter, Ryan Witt, Fred Koslowski, Eric Manning, Mike MacAulay, David Quinby, Steve Gregg, Tim Maxwell, row 6 Tommy Hart, Lee Galentine, Todd Swiderski, Steve Sparks, Jim Davis, Eugene Davis, Sean MacIntosh, Perry Tews, Steve Wind, Dino Fontano, Pat Larson.

The 1983 football season brought home an undisputed STAL championship for the first time ever! Last season the Grizzlies were locked in a three way tie with Willow Glen and Leland for the league title.

In league action, the Grizzlies were an unblemished 5-0, including an unbelievable comeback win over Leland (32-26). The Grizzlies finished the regular season with an overall record of 7-2.

The Grizzlies were led by All-CCS quarterback and league MVP Ron Capurso. Ron passed for over 4,000 yards in his two year varsity career. Dan Arace, also a CCS selection, caught an unbelievable 99 passes in his two years as a varsity competitor. Ralph Gooding, 14 interceptions in two seasons, proved to be an outstanding two-way player while garnering league Most Valuable Back Honors.

Our smallest, and one of our strongest linemen, Ken Arizpe, led the charge up

front. First team STAL Defensive players Keith Booth and Pat Larson often gave opposing runners headaches with their hard hitting and tackling. Dave Bringuel, a two-way player, caught 36 passes en route to being an All-League receiver.

Next year the Grizzlies will again battle for the STAL title. Leading the underclassmen will be Sean Macintosh, Jim Davis, Tom Hart, Pat Medeiros, and David Williams.

As a team our Grizzlies gained 3,060 yards in 10 games while holding the opposition to slightly over 2,000. We averaged almost 23 points per game and gave up 14. They were an extremely hard working group of young athletes who sacrificed many hours of time, gave up summer nights for passing league, and pushed hard through "double days" They were a courageous group of athletes who overcame many obstacles throughout the year

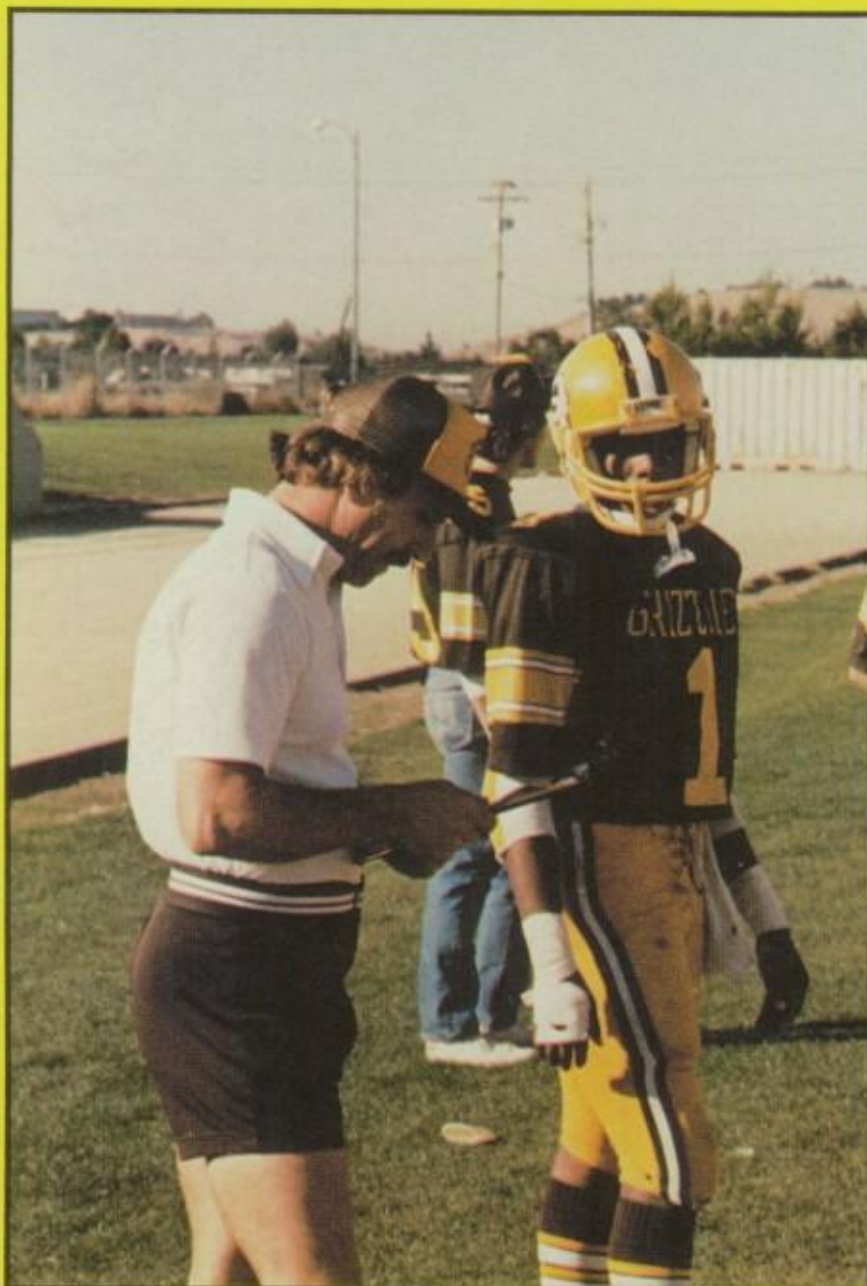

to become a championship team. The Grizzlies will all concur that much of our success was due to the dedication, loyalty, and hard work of coaches Bill DeChristina, Dick Bondelie, and Vince Charlton. It has been a pleasure to have been part of all of this.

Girls J.V. Basketball Aims High

"This is the most improved team of girls I've had in all the years I've been coaching," says Kevin Newman, head coach of the girl's J.V. basketball team. "The season has been outstanding, so far," he said enthusiastically. "These girls are overachievers. Their success is a mixture of hard work, the ability to listen, and teamwork."

The young Grizzlies were victorious in their first league game, in which they defeated Pioneer 16-14. However, Coach Newman says that every team they play is an obstacle. Helping to overcome those obstacles are valuable players such as: Rhonda Jacobs (who is the team's sharpshooter.) Defensively, Tami Rudd and Debbie Bashore are the best rebounders.

Top row: Coach Kevin Newman, Joanna Burton, Michelle Asselin, Debbie Bashore, Tami Rudd, Tina Thompson, T. Hardy. Bottom row: Rhonda Jacobs, Dede Arenella, Kim Furman, Lisa Larson, April Springer, Theresa Sanchez.

Grizzlies Go Slam-Dancin'

"The Water-Polo team had a SLAM-DANCE season in practice and in games," according to Assistant Coach Mark Howland, meaning a lot of taking and inflicting pain.

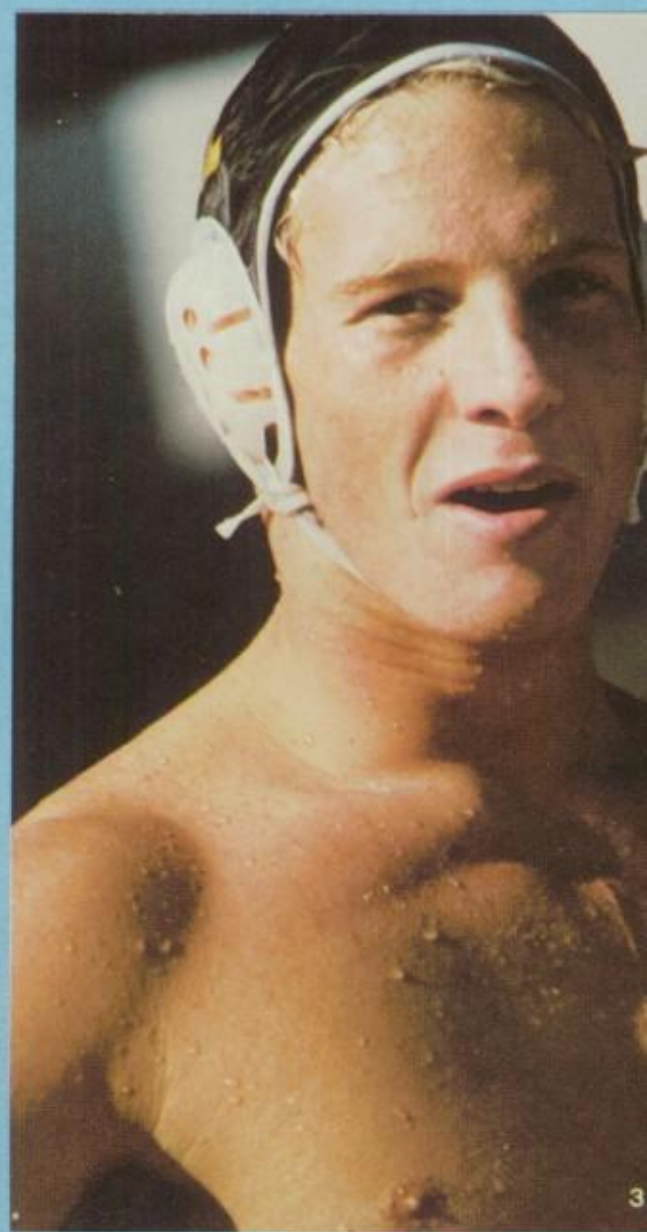

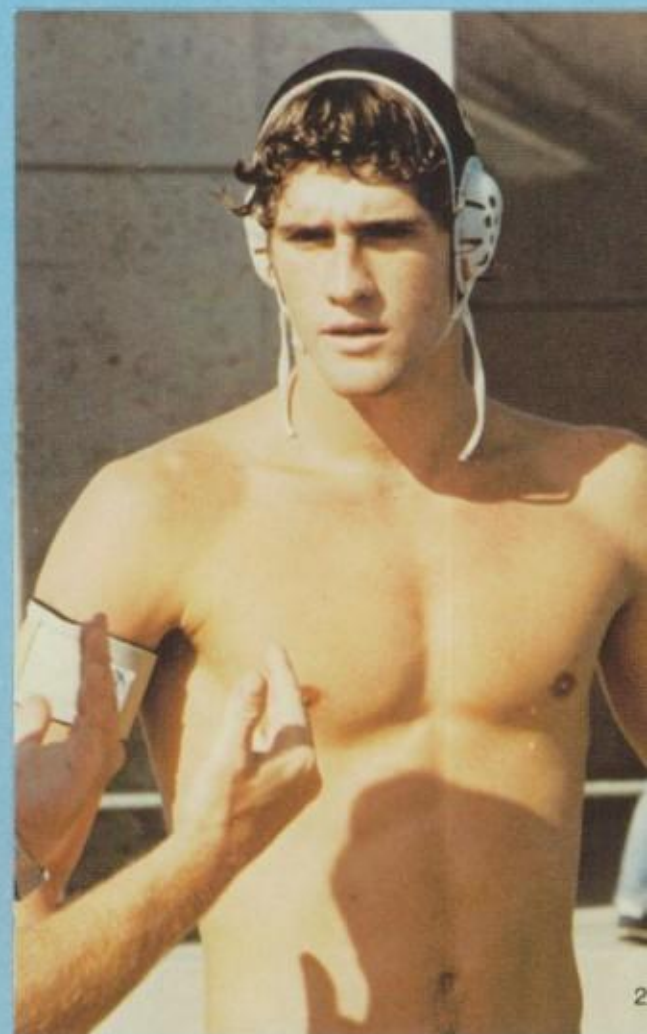

The Grizzly Water-Polo team had gone through some drastic changes this last season by losing last year's coach Rich Gaurino, and losing some key players because of injuries. But the gnarly Grizz didn't give up hope; they found two stu-

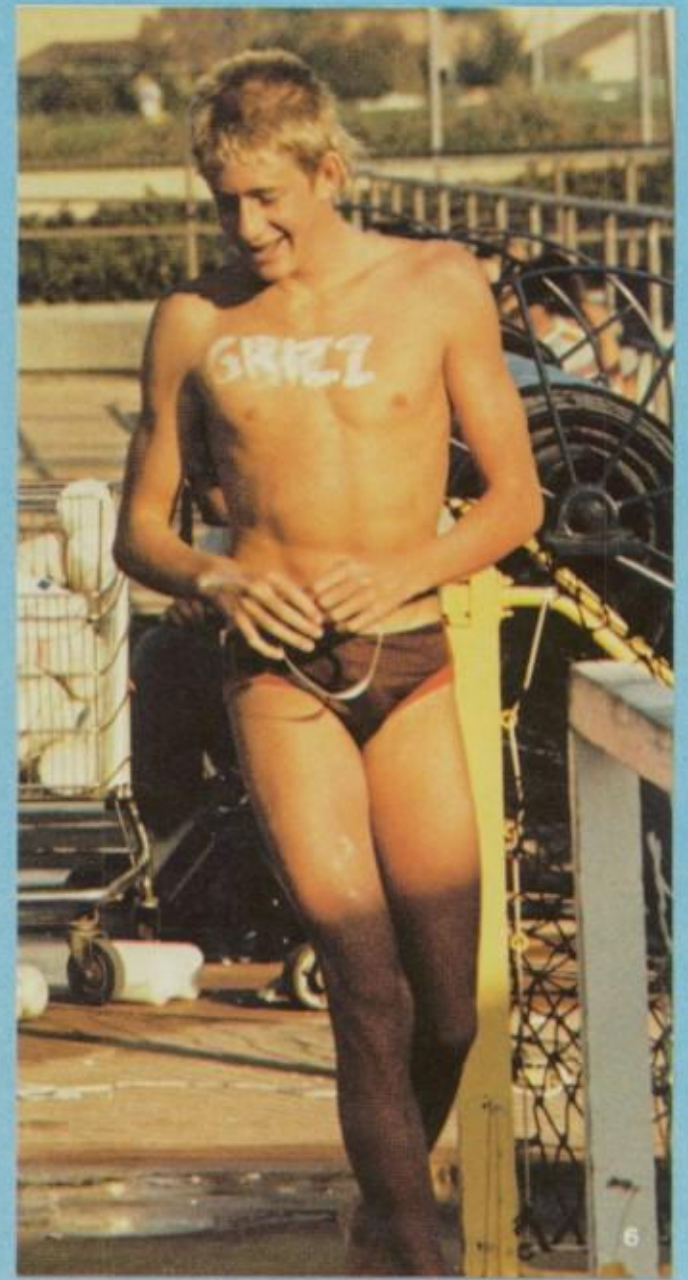

pendous new coaches, Jonty Skinner and Mark Howland. The coaches helped the players to strengthen their plays and improve their techniques. The team came back with hard work and a lot of dedication.

Grizzlies had a record of 6 wins, and 4 losses. They placed third in League Finals by losing to Bellarmine and lost by one point in the final 30 seconds to Leland.

The Girls' Swim Team is

The girls' swim team consisted of very talented, enthusiastic, and dedicated girls, who swim simply because they enjoy it. "That is why my job is so enjoyable for me. It makes it a lot easier for me to coach a group of girls who want to be at practice because they would like to learn and improve their swimming skills," says Coach Chris Carriere.

The girls on the team had practiced every afternoon. During this time each day they were in the pool swimming workouts to improve the speed, endurance, and strength. They also had practice every Monday, Wednesday, and Friday mornings, where they did dryland workouts on weights and resistance training. After the dryland workouts they would then get into the pool and swim.

"Over all, I think that our swim team has had a very successful season in terms of not only our swim meet results but also the support and unity of all of our members. Since a large portion of our team is made

up of Freshmen and Sophomores, I shouldn't be losing too much of our talent for next year which will make us an even more powerful team," says Coach Chris Carriere.

Gunderson finished with a 6-3 record, good for second place in the league.

Grizzlies Get A Kick Out of

The boys J.V. soccer team excellently coached by Art Lopez had an impressive 6-3-1 record this year. Top players on the team included Chris Chapman, Mike Ferrera, Kevin Redeker, Dave Richardson, Martin Shaeffer, and Garry Whitfield.

Topping last years record was achieved by hard work, good training, and most of all team spirit. Chris Chapman was the teams leading scorer with eight goals. Kevin Redeker was the heart of the midfield attack. Team member Garry Whitfield put it well when he said "We're totally awesome and we're gonna mutilate the other teams!"

Boys Varsity Cross Country Team

Considering that the boys varsity team had a rebuilding year, they still managed to accomplish quite a bit. The team finished the season (3-3) and finished third at League finals. At Region II finals the team finished 5th and missed qualifying to C.C.S. finals by one place. The team had placed top 10 in C.C.S. the last two years.

Individually the team did very well. Two members made the all-league team. Sr. James Green was voted the leagues M.V.P. as he became the 3rd runner from Gunderson to receive that honor in the last 4 years. Green finished the season undefeated and posted a new course record of 14:41 for the 2.86 mile Hellyer course. Sr. Mike Daley finished 8th at League with a best time of 15:37. Green went on to win Region II finals by 36 seconds with a time of 15:07 for the 3 mile Crystal Springs Course. His time is the fastest ever run by a Gunderson runner. At C.C.S. finals Green finished 5th, thus qualifying to Nor-Cal finals where he finished 12th.

The other members of the varsity team are: Sr. Deryl Clark, Jr. Steve Theord, and Soph. Harry Headrick, Dan Chavez, and Jerry McCann.

Girls Varsity Cross Country Team

The girls team were also supposed to be on a rebuilding year as the team was made up of 6 frosh-soph runners and one Sr. The girls team wasted no time as they finished the season undefeated with a record of 7-0, thus becoming the first girl's team in Gunderson's History to win an S.T.A.L. Championship. The team went on to place 2nd at Region II finals behind defending C.C.S. Champions St. Francis. For their 2nd place finish the team qualified to C.C.S. finals where they finished 6th. No other Gunderson team had ever done better.

Individually the team did even better. At the National 2-mile postal meet, soph. Laurie Chapman broke her own school record of 11:29 by winning the race with a time of 11:04. Soph. Deena Adams also went under the old school record as she ran an 11:16. At League Finals 4 girls received All-League Honors. Laurie Chapman was voted League's M.V.P. as she finished the season undefeated and posted a new course record time of 17:24 on Hellyers Course. Soph. Deena Adams finished second to All-League finals behind Chapman. Sr. Eve Sheehan placed 6th and Regina Bulder finished 9th. All 4 girls made the Gunderson all-time top 10 list. At C.C.S. Finals Chapman and Adams made the all C.C.S. team as they finished 7th and 9th respectively. Chapman qualified to Nor-Cal finals where she placed 9th. Thus, making the All-Nor-Cal team. No other Gunderson female runner had ever done better.

The other members of the varsity championship team are: Soph. Kim Arenella, Soph. Brandy Pevorick and Fresh. Dona Johnson.

Frosh-Soph Team

The Frosh-Soph team made up of mostly freshmen finished second in league and J.V. team made up of mostly Frosh-Soph runners finished 3rd in League. Two runners made all league from the Frosh-Soph team. They were Soph. Mark Barrera 7th, and Soph. Robert McPeck 9th. Top 10 make All-League.

Girls J.V. Soccer-A Kick In The Grass

The J.V. girls soccer team had a great year under the coaching staff of Jeanine Mestressat and assistant Michelle Pigg. Coach Jeanine Mestressat has a lot of talented players to work with. Seventeen girls contribute to a team effort which shows the Grizzlies spirit. The coach is happy with all her girls and recognizes Parry Rhines, (goalkeeper) Besty Kennedy, (fullback) as greatly improved players. The team's top scorers are: Hilary Chartrand, Marcella Salazar, and Monique Vandenburg. The team ended the season with a 4-1-2 record.

Kim Miller And Ellinor Chapman.

Varsity Soccer goes to C.C.S

Gunderson's Varsity Soccer team played the toughest pre-season in the school's history. They tied Bellarmine 2-2 and beat Gilroy 2-0. The team feels that playing the toughest team in C.C.S. will help them to analyze competition for C.C.S. playoffs. The Grizzlies beat second ranked San Jose 3-1 in regular season play.

Gunderson was called "physically intimidating" by the San Jose Mercury News. They took second in S.T.A.L. when they defeated Leland 1-0. Gunderson goalie Greg Allen commented, "Each year the grizzlies get tougher and tougher. 84-85 season will bring Gunderson its first C.C.S. title".

Boys Cagers take third

Despite a disappointing season, the boys varsity cagers captured third place in the Santa Teresa Athletic League for the 1983-84 season. The team was 5-5 in league play and had an above .500 record for the overall season. High points in the season were the two wins over Leland, along with the defeat of San Jose, which marks the first time a Grizzly team has ever beaten San Jose. The team was led by senior starters Bert Condensa, Ralph Gooding, and Kevin Hoffman. This year also developed some good prospects for future grizzly teams. Juniors Eddie Briggs, Shawn Thompsen, and Ernest Mathis, along with sophomores John Krupp and Shawn Sikes, show great promise for next year and for years to come. These returnees, along with players from a very good JV team, should make next years team very good.

The J.V. Basketball team is doing better this year, with 12 strong wins and 3 losses. They have many key players such as Darrin Adams, Mike Ammerman, and James Jones who are doing exceptionally well for the team. One player comments, "the team is hotter than ever and is having a very successful year," Sean Sykes, one of the teams most important players, was moved up to varsity in the middle of the season.

A Season To Remember

"The Boy's Swim Team had an excellent year. This season was a memorable one, Coaches dream about teams of this caliber," states former world record holder and boy's coach Jonty Skinner.

The Boy's Swim Team had a record of 4 wins and 1 loss and is favored to be in the

top 3 in Central Coast Section (C.C.S.). This achievement didn't come easy. It takes many years of drills, hard work, and dedication to reach the top. The team underwent long hours of vigorous practices in preparing for this season, The Season to Remember.

Varsity Volleyball Meet Their Goal . . . C.C.S.!

During the month of August, when many Gunderson high school students were at the beach, our Varsity Volleyball players were practicing every morning. It was their goal, of course, to go to C.C.S.

The only weakness the team had to deal with was the player's lack of height, as compared to the other teams in the district. Their strong points, by far, overshadowed their weak points. The team worked well together, with cooperation and determination, to meet their mutual goal. Although height is important, cooperation is essential for a winning team.

To the right: Sherry Olsen is jumping to spike the ball. Lisa Ott and Renee Couser watch intently.

Next page: Sherry Olsen while jumping extremely high, is spiking the ball as the Willow Glen player misses the block. Paula Rines is preparing to assist.

Far right: Paula Rines Watches the ball as she prepares to bump it.

When asked what her feelings were toward the team, Sherry Olsen replied, "I am very proud of our team for making it as far as we have. I feel one of the main reasons for our success is the coaching of Mr. Dominguez. I'm not too sure we could have done it without him. Of course we (the team) don't fight so that's a contribution as well."

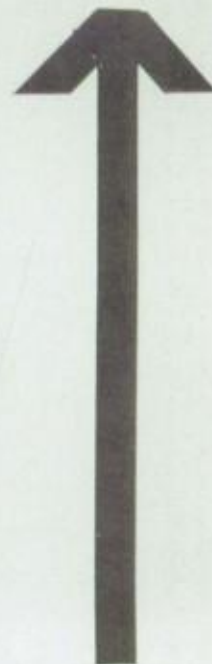

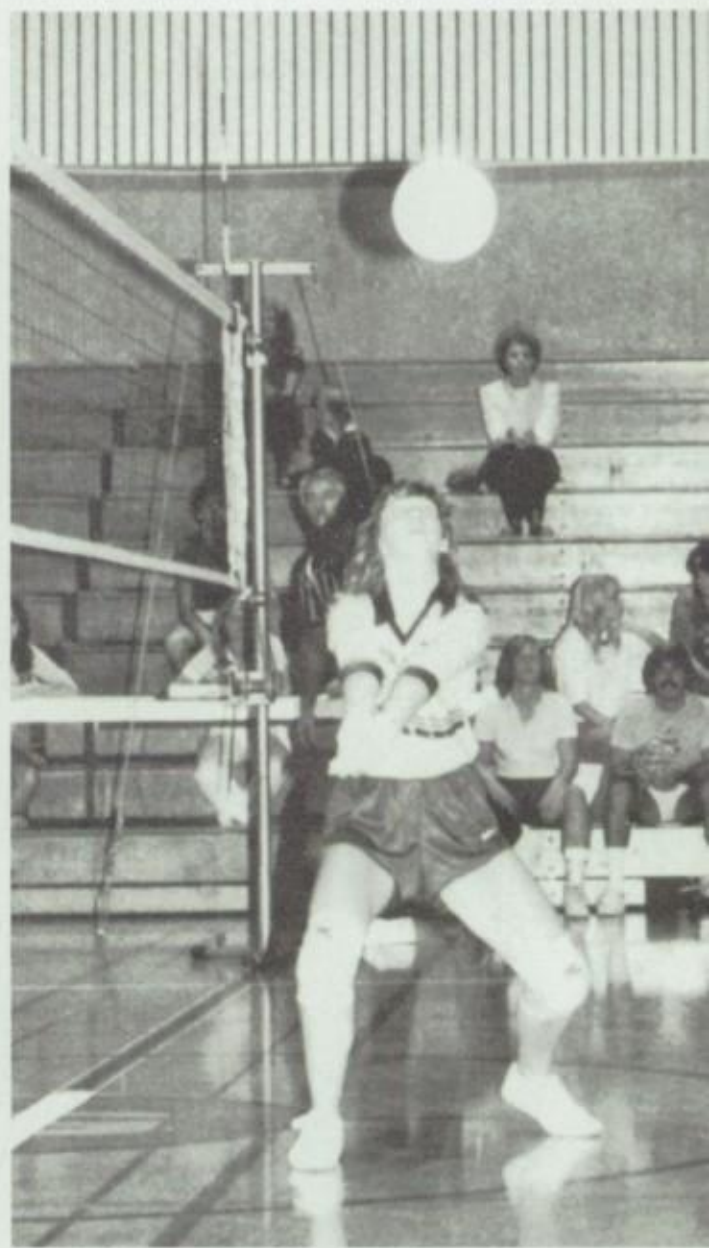

The team record is 8-3, only losing to

Leland and Lincoln. The team captains are: Renee Couser and Sherry Olsen. The Varsity Volleyball line-up is as follows: Renee Couser, Ginny Howard, Tracy Kessler, Lisa Ott, Michelle Giammona, Daniele Sharkey, Sherry Olsen, and coach Dominguez.

The Varsity Volleyball All League players for the first team are: Sherry Olsen and Danielle Sharkey, and for the second

team, Renee Couser. Honorable mentions goes to Paula Rines. The leagues most valuable player is Sherry Olsen.

Their goal was met. The Varsity Volleyball team went to C.C.S. Although they lost the first game to St. Francis, the team feels very good because they met their goal. They finished tenth in C.C.S.

Junior Varsity Volleyball

"A good bunch to have," is what the Junior Varsity Volleyball coach, Michelle Pigg said. She always thought highly of her team.

They won eight spectacular games and only lost four. They ended up in fourth place.

Michelle says that their best win was against Leland. At that time, they were down to the last game and had to fight for first place.

Laura, Cindy, and Jodi were the team's most outstanding players. The team captain varied within the games. Throughout the season, Gunderson's Junior Varsity Volleyball team showed much potential.

Varsity Wrestling Pins 3rd Place

"Wrestling is an equalizing sport that provides an opportunity for all different sizes of individuals to participate," emphasizes wrestling coach, Mr. Arno Dominguez. He goes on to say that, "More than any other sport, wrestling teaches self-discipline."

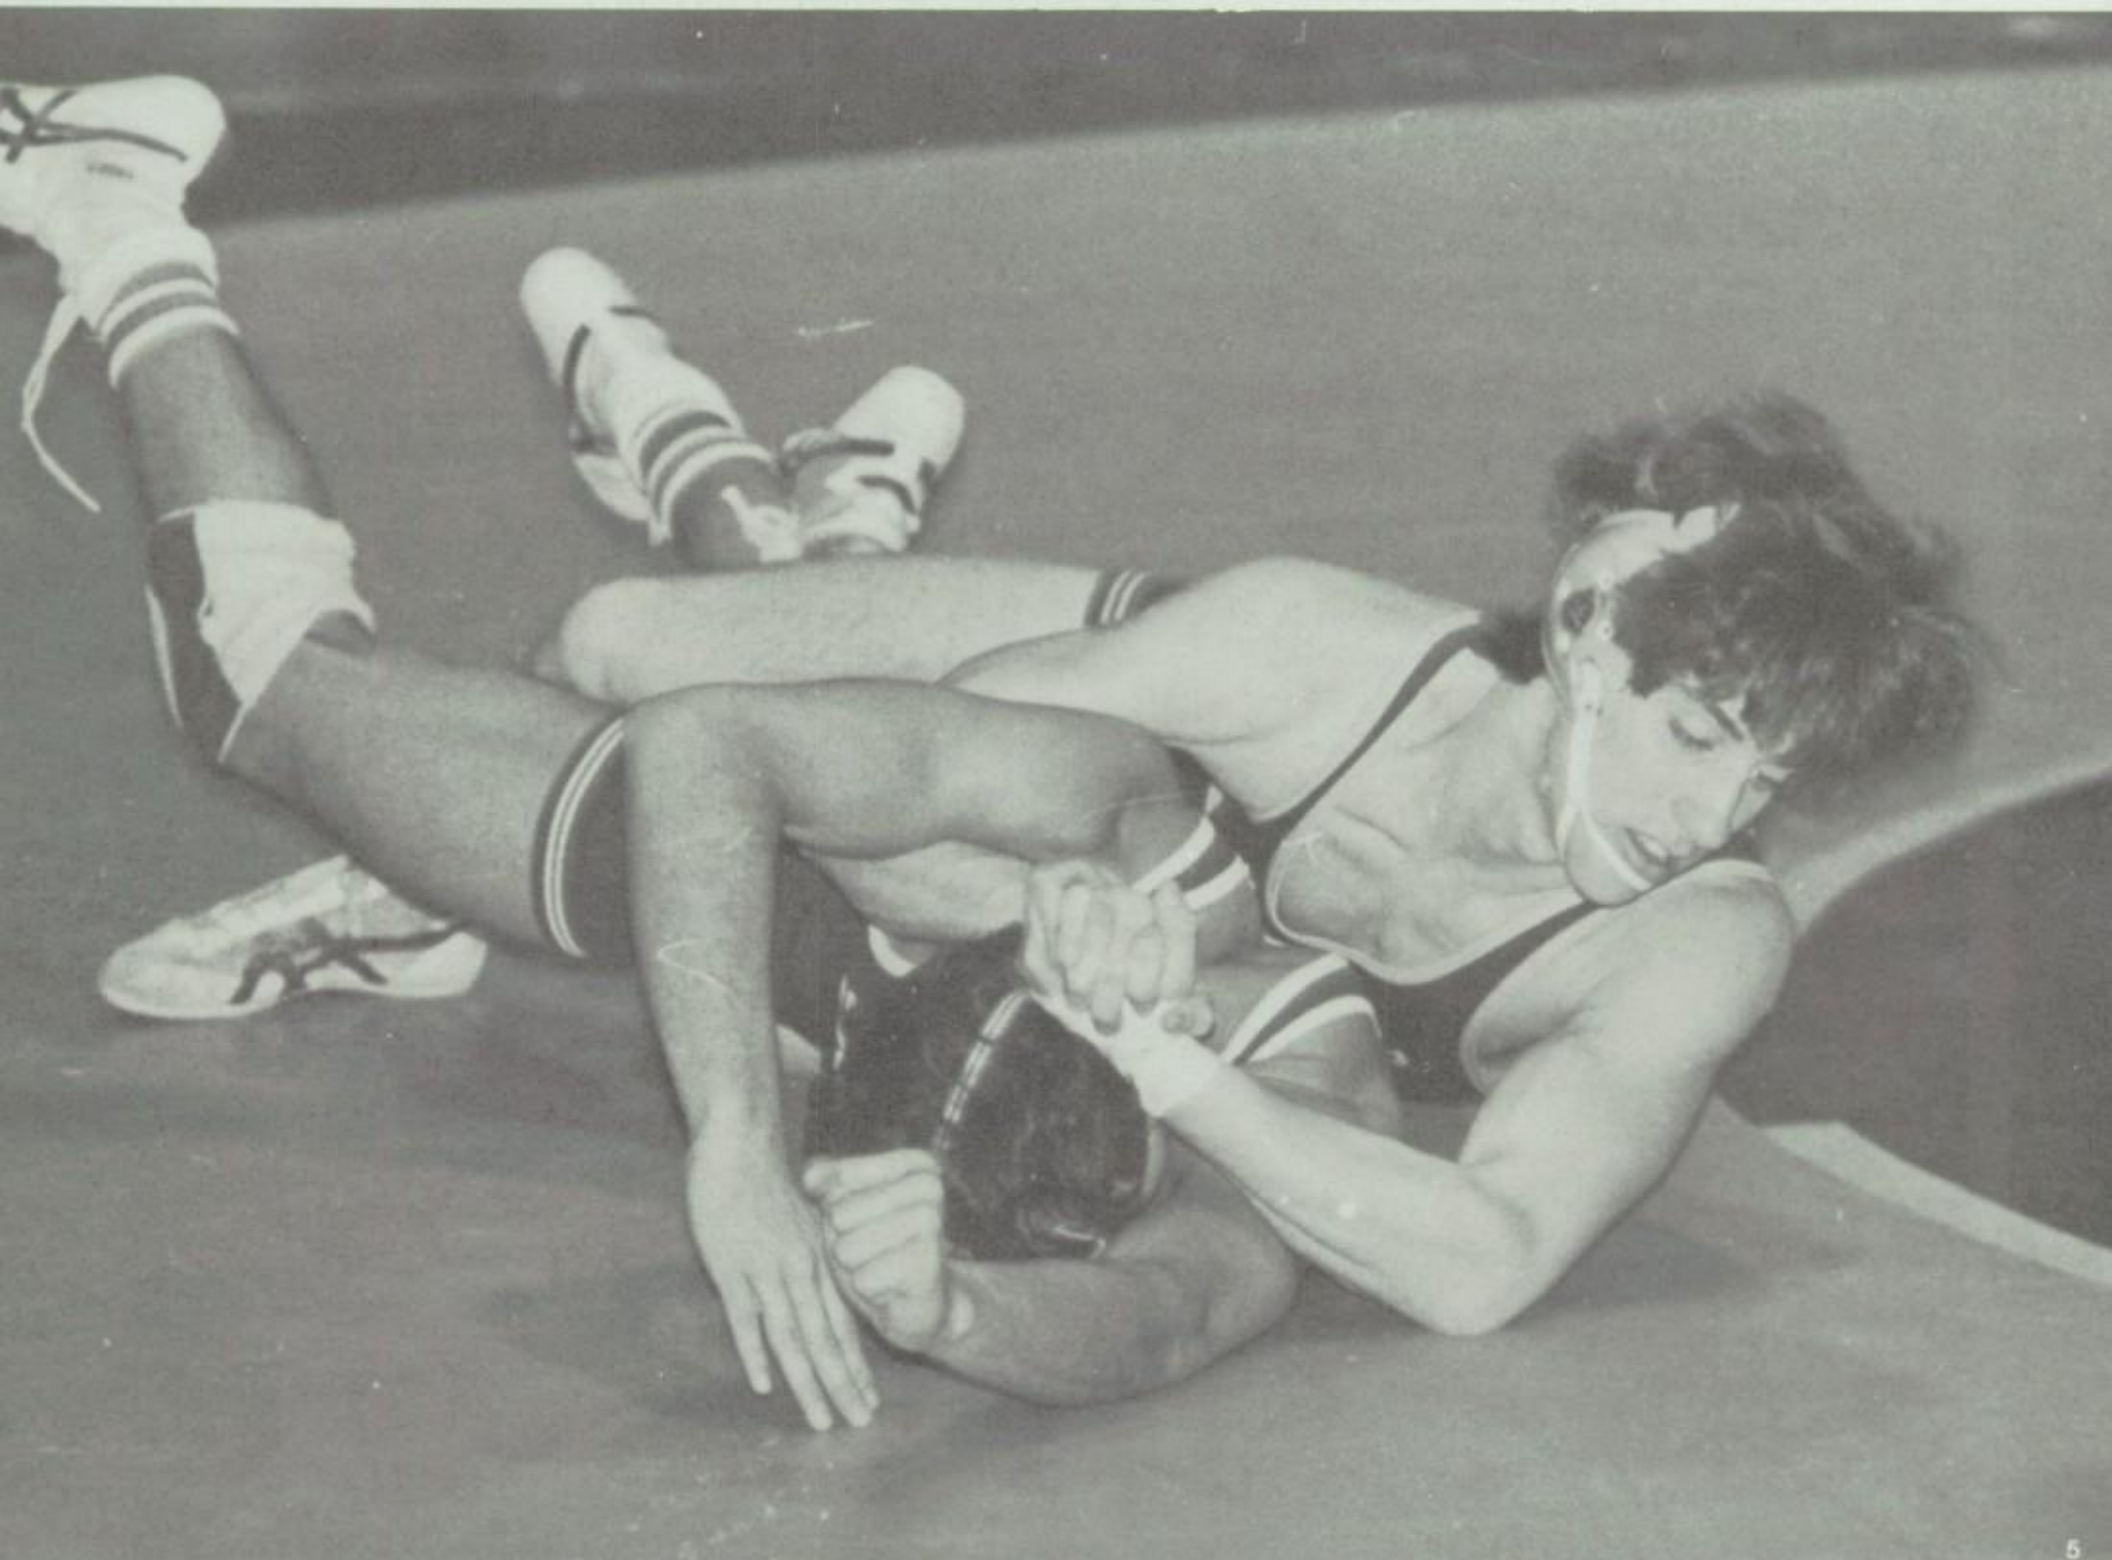

The Gunderson team placed an impressive third place in league competition, and turned in an excellent record of 8 wins, 3 losses. The team captured first place at the Hollister Dual meet, and third at the Blossom Valley Tournament. Gunderson was overcome only by the Lincoln and Willow Glen teams, both of which consisted mostly of returning Seniors.

The team benefitted from the athletic abilities of John Andree, Doug Johnston, and Mike Medlock. Also showing remarkable improvement and aiding in the favorable league outcome, were the admirable efforts of Phil Burnett, Sal Cortez, Scott Fey, Sean MacIntosh, and Craig Vance.

The J.V. Wrestling team has had a very successful year. Their first loss was to Lincoln which was their toughest opponent.

Some of the outstanding wrestlers are: John Beirnsstein, Jim Lopez, Pete Murphy and Travis Singleton.

This year they had one of the biggest turnouts for wrestling. "The team is young but doing very well," Coach Dominguez says. Many of them will be on the Varsity Wrestling team next year. They are expected to take second or third in League Finals this year.

Coaches A. Dominguez and S. Nelson have a very hard training program for the wrestlers. All year round the wrestlers run three to five miles, work out with weights and practice for two hours every day. During the off-season Gunderson provides a club for the wrestlers, The Grizzly Wrestling Club. This keeps the wrestlers in shape for the next season.

Goin' For The Gold

The boy's Varsity Track team is in the hunt for its fourth league championship out of the last five years. This team had only a hand-full of seniors but don't let that deceive you; this was a very talented group. Three of these seniors are now school record holders. Mark Coulter has improved his school record in the pole vault to 15'0". That vault has ranked Mark third in the nation for the indoor track season. Mark was also the league's top high hurdler (15.1), and sprinter 100 M (11.1). James Green holds the school record in the 3000 m. (8:48) and is the league's leader in 440 (51.9), 880 (1:57), mile (4:17), and the two mile (9:23). Kevin Hoffman is the other record holder. He holds the record in the high jump (6'2½"). Two other seniors who have contributed greatly to the team are Ron Capurso- 440 (52.0), 880 (2:00), and Jim Davis- Shot put (49'5").

As a team Gunderson has won the league relays by beating Leland 104 points to 100 points. Gunderson opened the league season against Leland in what figured to be a meet for the league championship.

The girls' team was very small, maybe too small to win the league championship- but there was good reason to believe that this team wouldn't place worse than second. The team was led by sophomore Laurie Chapman, who now holds all of the distance school records. She has run a 5:13 mile and an 11:04 two mile. Laurie currently leads a league in the 880, mile and two mile. Sophomore Deena Adams is also a standout distance runner. She holds the second fastest times ever by a Gunderson runner. She has run a 5:28 mile and an 11:16 two mile. In the jumps, we have the top two long and triple jumpers ever in the history of Gunderson. Sherry Olsen holds both school records, the long jump (17'10") and the triple jump (36'7"). She has worked very hard to be the league's leading jumper. Danielle Sharkey now holds the second best jumps with bests of the long jump (16'5") and the triple jump (35'11"). In the sprints, sophomore Joelle LaTorre has contributed greatly as she led Gunderson's sprints.

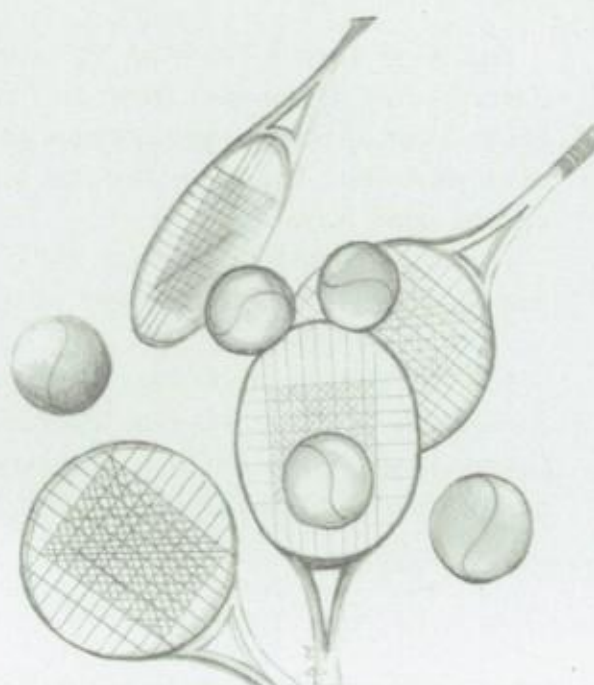

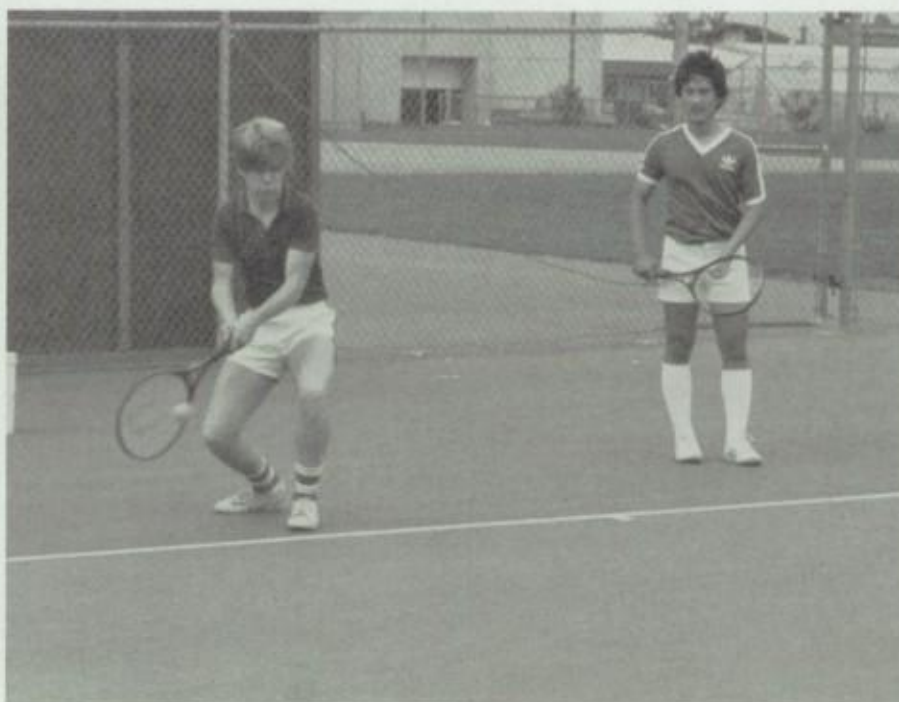

Boy's Tennis . . . On The Ball

Leland will probably be the toughest opponent during the '84 season. Gil Mendez believes the team has a very good chance in league play. The team has top seeded singles, but needs work on doubles. But, the team will definitely do better than last years, according to Mendez, the record year tennis coach. Three very talented players will be vying for the top three positions on the ladder. They are: Richard Beijer, Ian Hartwell, and Eric Sasao.

Sasao, a freshmen, is ranked third in the 14's and under section in the Northern California Tennis Association. Beijer is ranked seventh in the South Bay and thirtieth in the 16's and under section in the NCTA. Rankings were not available for Hartwell, a senior.

Tennis Ends up on a High Note

The Girls Tennis Team of 1983 can be described as optimistic, fresh and energetic. Most of the players are new to the team this year. The team also has a new coach, Janis Nay.

The team managed to win their last match against Lincoln to wind up their season on a high note.

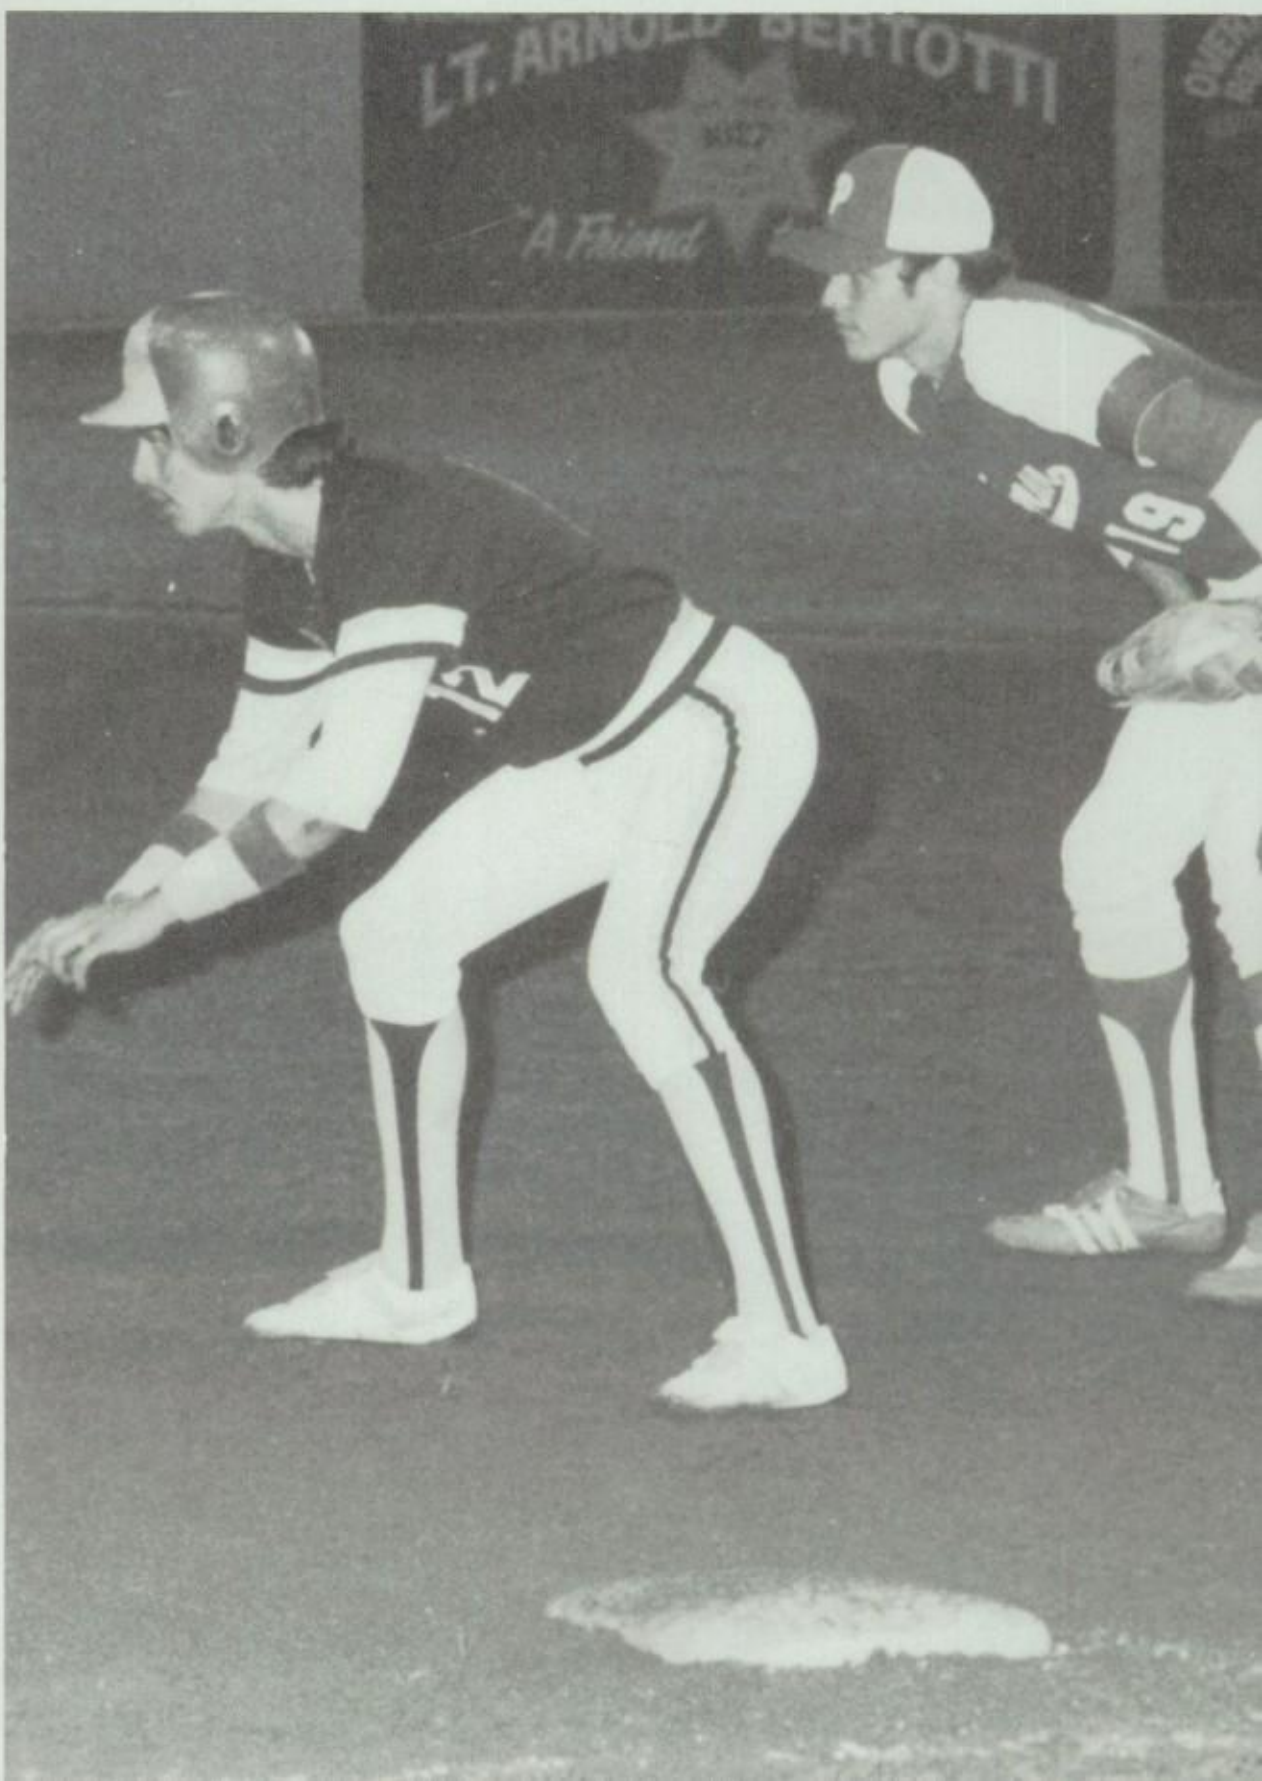

Shikha Ghosh and Pam McKinnon earned third place playing doubles in League Finals. While Kathy Thornberry received fourth place playing singles.

The team held their banquet at Pedro's, and awards were given for special achievements. Kathy Thornberry won Most Valuable Player. Shikha Ghosh won Most Outstanding Player. Nicole Bice received the Most Supportive Player Award. Patricia Quon was presented with the award for Most Congenial Player. The Most Improved Player award was given to Kristine Hurley.

The members of the team are: Mary Ann Barrous, Nicole Bice, Amy Crispket, Shikha Ghosh, Kim Goodfellow, Jacquie Hernstedt, Kristine Hurley, Lynette Jones, Cathy LaFleur, Valerie Milum, Patti Nelson, Cesily Owens, Leslie Park, Patricia Quon, Mia Taylor, Kathy Thornberry and Vicki Vogel.

Hit and Run . . .

The Boys Varsity Baseball team expects to have a fantastic season. Coach Fred Morales has been with the team for two seasons now, and is very optimistic about the league games. The players feel confident that they will go to C.C.S. and be one

of the top five teams in the play-offs. The pre-season games have shown the ability of all the players. They are striving for excellence and hoping all their hard work pays off.

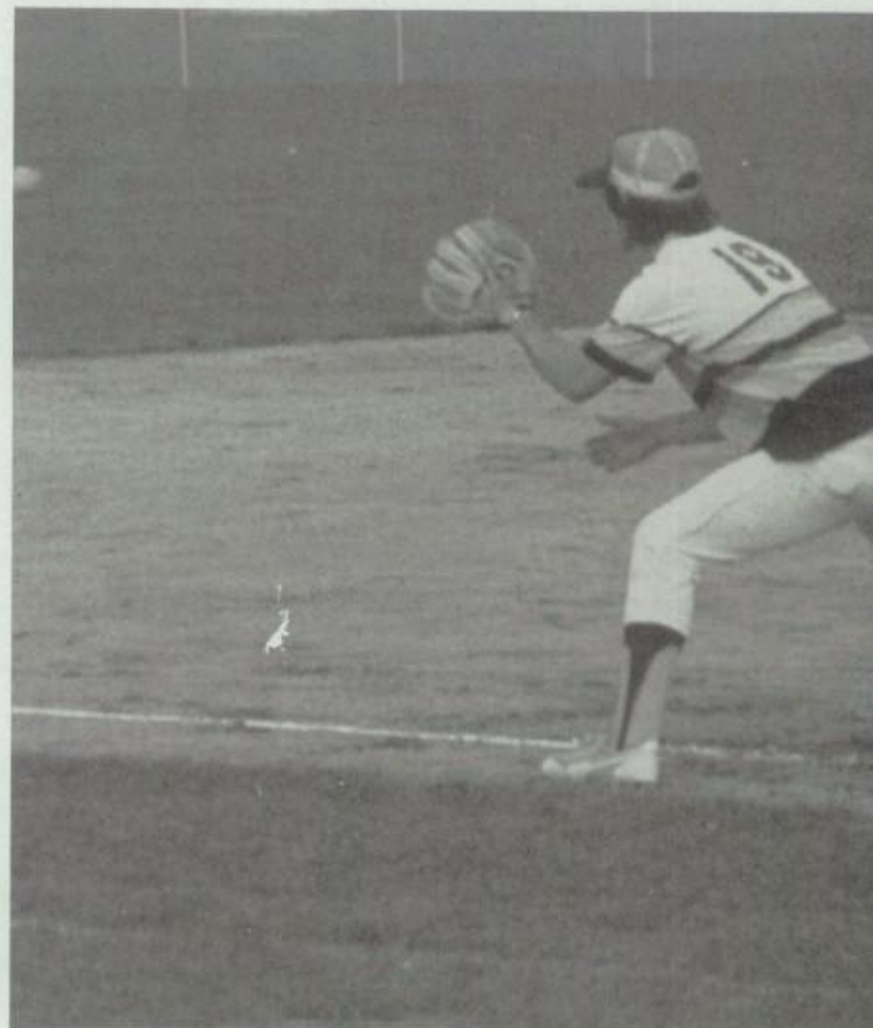

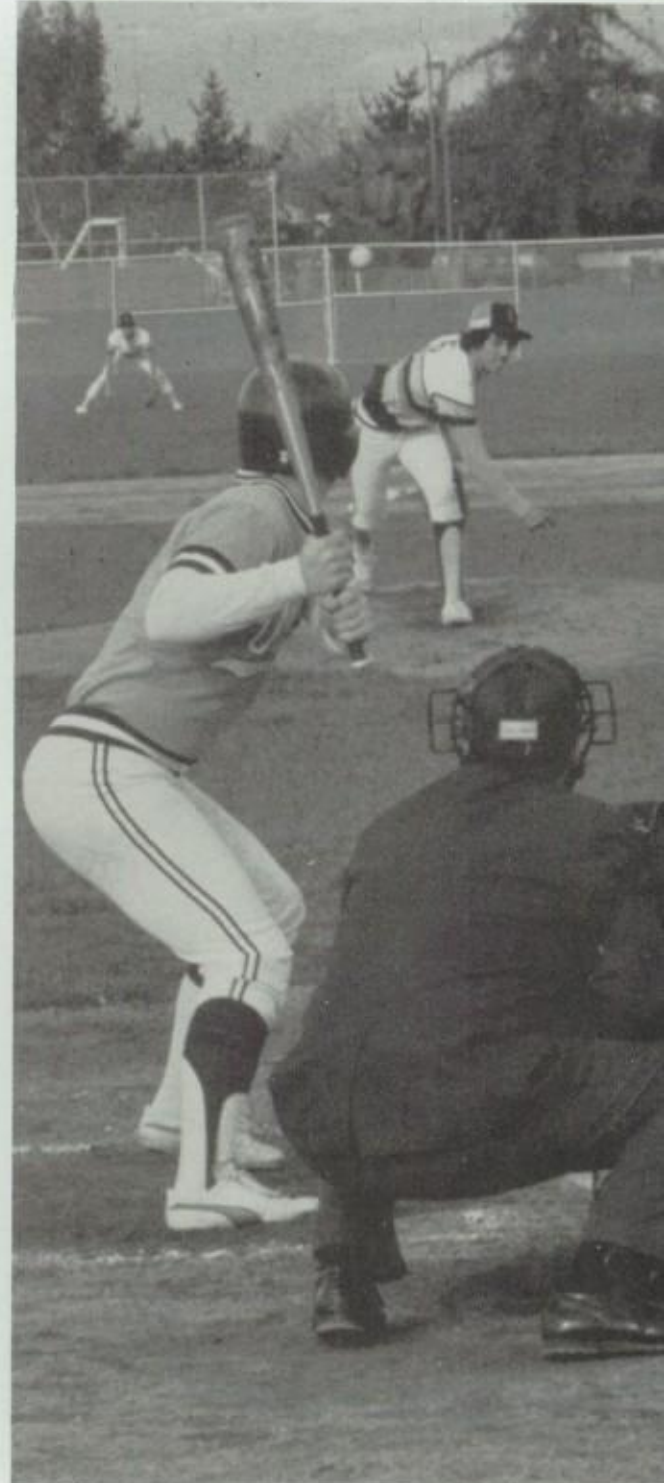

J.V. Keeps Top Score In '84

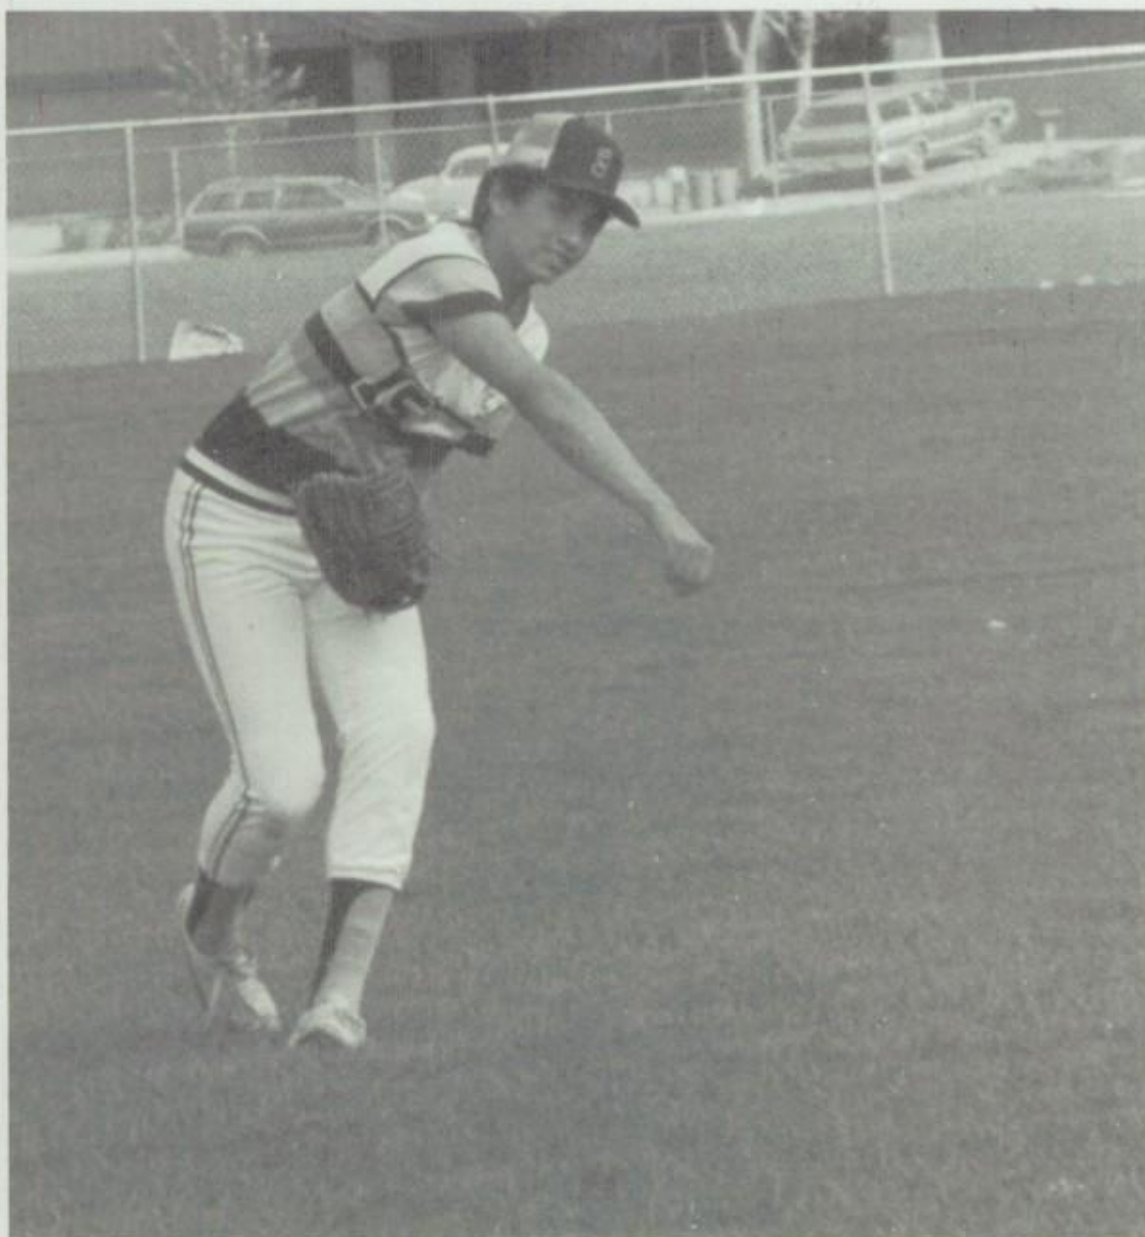

"The J.V. Baseball team is hotter than ever," states catcher Louie Magelleon. The team blasted off the season with a 12-0 record, they finished off the season 14-2-2. The Grizzlies were so hot that they scored 114 points in their first nine games. Coach Al Rasmussen should be very proud of how his team played this season. Gun-

derson should be especially proud of Dean Lewis, Fred Moralas, John Morgan and Rick Wilson for the extremely great effort they gave.

Gunderson would like to thank the whole team and its coaches for pulling in such a great year. Thanks again: we're all proud of you!

Varsity Softball

... On The Move

The Varsity Softball Team has proven once again that it is constantly on the move. All the hard work and practice that these girls are subjected to pays off when they win — and they are expected to win every time they play. This year's Varsity Softball Team is having an awesome year and is currently ranked 14th in CCS.

The girls' 16-5 victory over Leland at the beginning of the season set a standard of play that never died. There is an abundance of talent on the team; Paula Serret and Laurie Thaxton, as well as senior Pam McKinnon, have helped bring the team to a level of awesome competitiveness.

JV Softball swings into spirit

Girls JV Softball is striving to make this season better than ever and they're getting off to a great start! This JV team is one of the strongest Gunderson has ever had. With continued improvement, each player is trying her hardest to be selected to the varsity team next year.

The girls played several practice games

this spring. Although none of the games were official, just playing enabled each athlete to develop her talents to the utmost.

With several girls returning to play next year, THE GUNDERSON JV SOFTBALL TEAM is looking forward to great things in the years to come.

WATCH THE BIRDIE

Badminton coach Doug Ramezane feels that the team can win more games than they lose. He also thinks they should come in at least third place.

In 1982, Gunderson's badminton team came in last place and in 1983, they came in fifth place. So they have improved strongly through the past years.

The boy's team is very strong this year. The teams's most outstanding players are Sam Beck and Phu Do.

The Girls's team is still young, but its most out standing players are Dayna Law, Hilery Chartrand and Van Do.

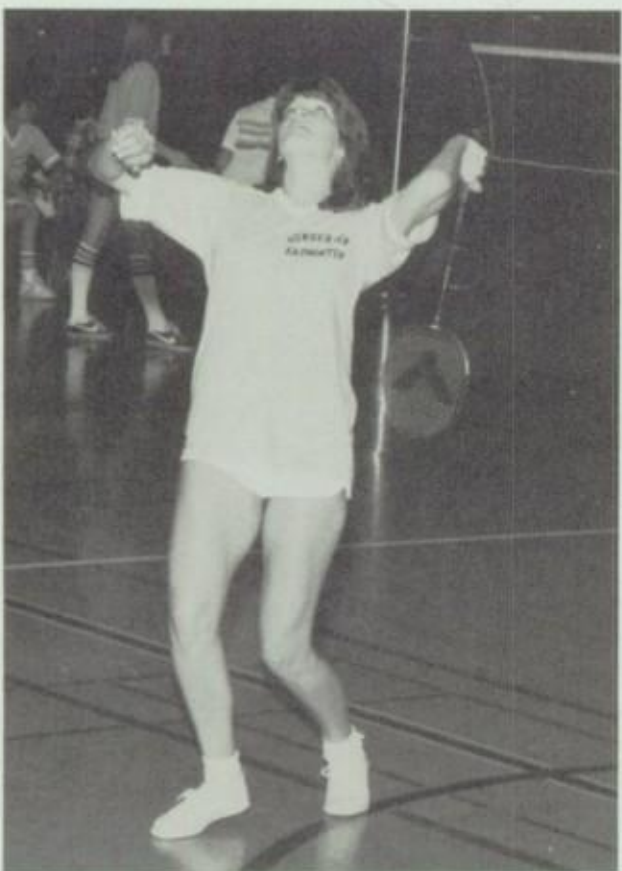

The badminton team is special to Gunderson because it is the only co-ed team in the school

We should be looking for outstanding wins in this spirited team this year.

ON BECOMING AN ADULT uniquely explores the personal and universal nature of teenagers. Based upon original research with his students, **BILL NORTH** has clearly demonstrated his ability to understand, teach, and apply philosophic principles with teenagers. This book is timely, overdue and seriously needed in our educational system.

WHAT IS LIFE SEMINARS?

LIFE SEMINARS offers an open, active, and realistic approach to communication and awareness training.

LIFE SEMINARS trains individuals to experience self-discovery, improve communication skills, and deepen one's awareness of life.

LIFE SEMINARS creates a personal, supportive, and non-threatening place to learn about life.

LIFE SEMINARS ASSISTS:

- Individuals
- Families
- Groups
- Schools
- Organizations

LIFE SEMINARS PROVIDES:

- Personal Training
- Discussion Groups
- Saturday Workshops
- Lecture Presentations
- Creative Consultations

LIFE SEMINARS CAN HELP YOU LEARN HOW TO:

- Improve Communication
- Resolve Conflicts
- Create Understanding

*Special Programs
for
Parents and Teenagers*

THE LIFE SEMINARS PHILOSOPHY:

- Life is a continuous, developmental, learning process.
- Each person has the potential to understand the unique world of his own existence.
- Personal problems are often the result of a lack of knowledge about oneself.
- Once a problem has been accurately analyzed, a realistic and meaningful "solution" can usually be found.
- Most human problems are dilemmas which require a serious personal choice.
- Responsible choices are the product of self-awareness, personal courage, and clear commitments.
- LIFE SEMINARS is designed to explore and discover personal answers to the most important, and universal, questions of life.

WHO IS LIFE SEMINARS?

BILL NORTH, M.A., C.C.P.

BILL NORTH, psychology instructor at Gunderson High School (San Jose), has twice been voted "OUTSTANDING TEACHER OF THE YEAR." Bill's background includes extensive experience as a teacher and counselor at the Santa Clara County Jail. He has also presented many successful programs for teachers, parents, and teenagers concerning drug awareness, communication, and human relations. Bill has trained with DR. PETER KOESTENBAUM and is Certified in Clinical Philosophy.

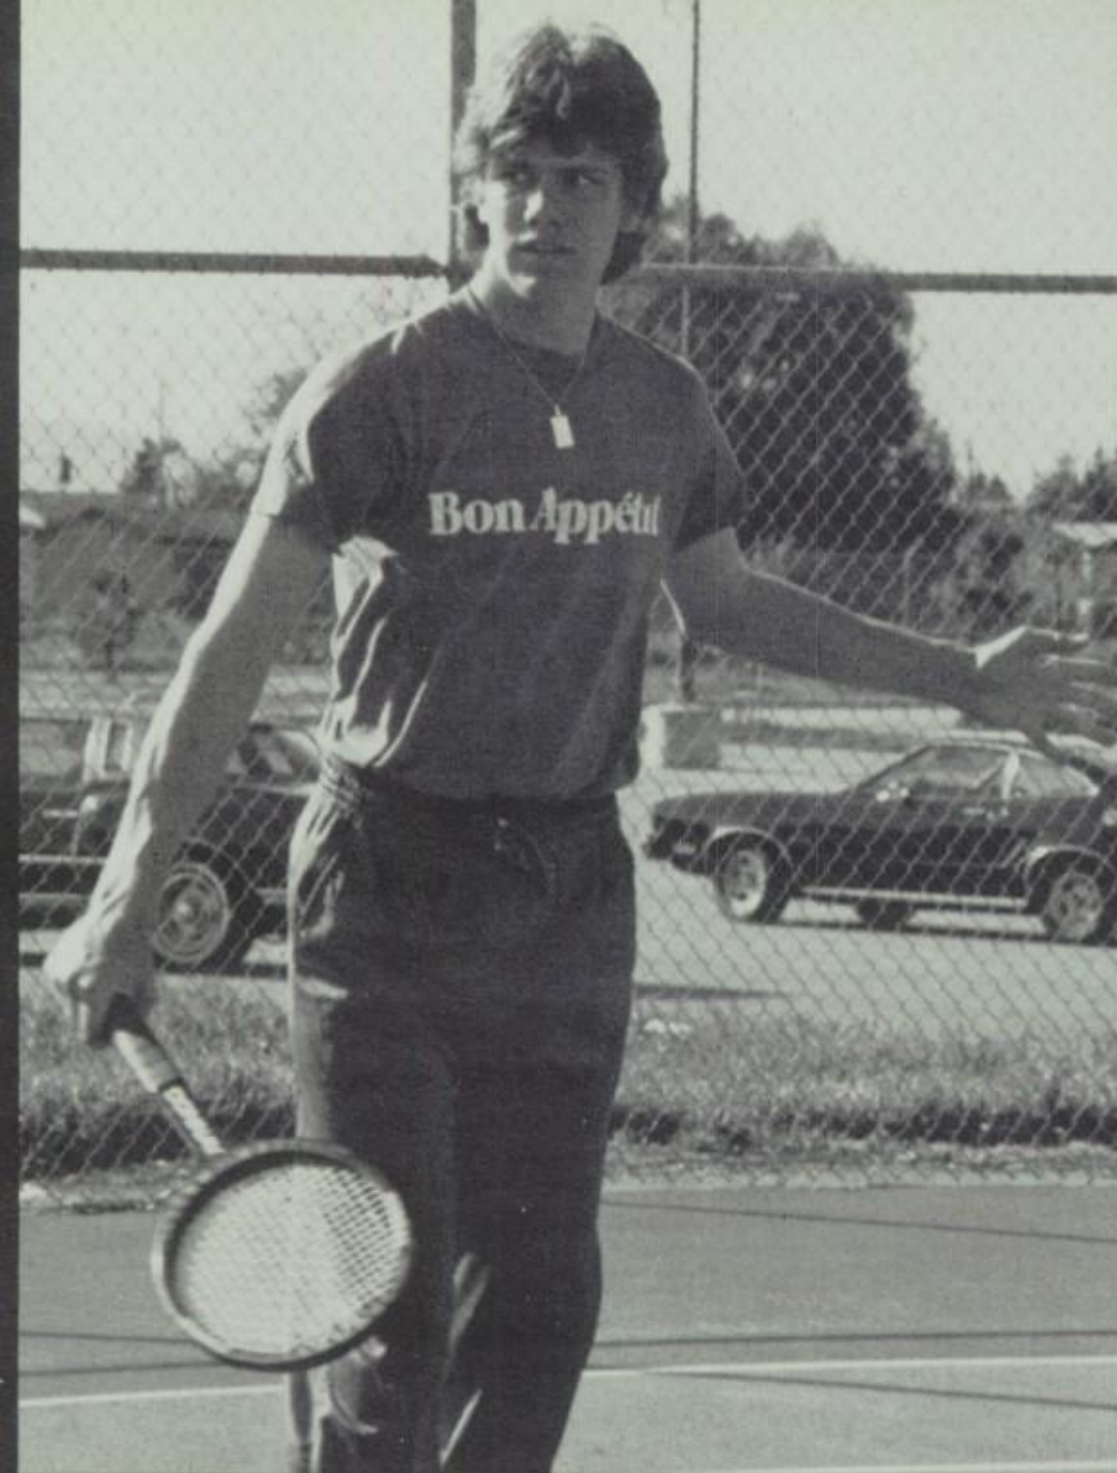

MEG PARIS, M.A., M.F.C.C.

MEG PARIS, a licensed marriage, family, and child counselor, contributes skills as a therapist and consultant to Life Seminars. Meg's professional background includes experience in the following areas: alcohol and drug-related behaviors; depression and suicide; women's issues; family relationship problems. She is especially concerned with issues confronting working parents, single-parent families, and step-families.

ZIP UP YOUR HOME TO HELP CONTROL ENERGY BILLS.

Get interest-free money
through the PG&E Zero Interest Program
for home and apartment energy improvements.

These days it's more important than ever to control energy bills by making energy-saving home improvements. But how can you afford to borrow money at today's high rates of interest? With PG&E's ZIP Program! Whether you're a homeowner, renter or landlord, it lets you make those energy-saving improvements now that could make a big difference in your energy bills. ZIP allows you to borrow up to \$3,500 for energy improvements without paying a penny of interest.

MAKE THESE ENERGY SAVING IMPROVEMENTS NOW.

- Ceiling insulation. • Waterheater blanket.
- Caulking. • Furnace/air conditioning duct insulation.
- Weatherstripping. • Special "low-flow" showerheads.

You can hire a contractor or do it yourself. When you ZIP up your home it will be cooler in summer and warmer in winter. The value of your home will be increased, too. With Zero Interest Program improvements you could start getting control of your energy bills right away and there also could be tax savings.

All awesome things must come to an end, and the yearbook is no exception. However, the end of a yearbook is actually the beginning of all great memories of the year. Putting together the biggest and best possible yearbook ever was a tough task, but we somehow managed to pull it together.

Once again many of the staff were new and fresh rookies, yet their excellence and willingness to learn made them all pros. Many were shocked to see themselves in tantrums, but they were also shocked to see how dedicated they could be. They put in many late hours of hard work. It was rough putting up with lost pictures, no layouts, and no type sheets. Through all the screaming, fighting, singing, and learning, we surprisingly met our deadlines, knowing if we did not, we would be "dead."

I would like to thank the entire El Oso staff and photographers for every last little bit. Most of the time they were very supportive and did

anything they could to help. To all photographers, sorry for being such a bully and getting on your cases. I think you are all great, especially you Noel Warr and Gary Kuratori. I would like to greatly thank my section editors: Parry Janich, Linda Lynch, Pam McKinnon, and Katie Huggins. Without you guys I would have been a worse wreck than I already am. Thanks for making calls and making sure everyone got his work done right and on time. Thanks for not telling me off when I told you that you did something wrong and to do it over. Not only are you guys AWESOME editors, but **RAD** pals as well. Thanks a million. I must not forget the artists. Thanks for contributing all your talents to make this yearbook special.

"Hey Jones," you are about the only one left to thank. You've been the coolest advisor ever and you have taught me so much that I can't put it into words. I know I never sounded appreciative, but I respect you and the talents you

have immensely. I'm glad you decided to let me stay on staff because it was a great experience that I'll never forget. Even if we all bugged you about your hands, feet, accent, hair, and whatever else, we think you are the greatest. I will definitely miss you and miss being on the staff next year. It won't be the same.

In conclusion, I would like to thank everyone who is a part of Gunderson. Sometimes we are all a little "Off the Wall," but that is what makes us all so special. Without all of you being here, a yearbook would be useless. You make up Gunderson—you make this yearbook.

I hope this yearbook makes you happy and will bring you great memories now and forever. Take Care.

This year has been
interesting. It's seems
to go by so fast. I'm
glad I met you this
year. You're real nice
young lady. (stay that way)
I'm really lucky to know you
I hope we at least have
one class together next year.
Probably Spanish. Have a

great summer because
you deserve the best.

You're a beautiful person
inside & out. I'll most
likely see you next year.

If you need to talk I'll
be here.

Shannon,

Well you made it through your first year at Gunderson. I hope you liked it even though you didn't have the best teachers.

You are the bestest friend any one could have. You made my full of happiness and also full of sorrows. I can't believe how much ~~fun~~ fun we've had since we've been children. (haha!!) Well,....

Just remember that I'm always here when you need me or when you just want to talk. Please tell me if you want anything too. You are such a great friend, I feel that I owe you so much. Even though we've been through some stupid and awful fights you know that I will never hate you. I know we will be ^{the} bestest ~~forever~~ friends forever + ever.

~~Well~~ Well hon's I wish the best of luck for you. And I hope you know you will find a guy very soon. Love ya ~~forever~~ lots,

Karin

P.S. you will be my "maid of honor" for sure. "Kay ohh"!!!
